

STAND. COM. REP. NO.

95

Honolulu, Hawaii

RE: FEB 07 2019
S.B. NO. 813
S.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Thirtieth State Legislature
Regular Session of 2019
State of Hawaii

Sir:

Your Committee on Commerce, Consumer Protection, and Health,
to which was referred S.B. No. 813 entitled:

"A BILL FOR AN ACT RELATING TO THE DEPARTMENT OF HEALTH,"

begs leave to report as follows:

The purpose and intent of this measure is to appropriate or
authorize funds, amend positions, or amend means of financing for
various operating expenses of the Department of Health.

Your Committee received testimony in support of this measure
from the Department of Health, Executive Office on Aging, and Maui
County Office on Aging.

Your Committee finds that this measure expresses adjustments
to the programs or positions included, maximum sums appropriated
or authorized, or means of financing indicated for the Department
of Health in the General Appropriations Act of 2017, as amended by
the Supplemental Appropriations Act of 2018.

Your Committee's intent in recommending this measure for
passage is for the adjustments expressed to be incorporated into
the General Appropriations Act of 2019 or other appropriate
legislative vehicle or to be adopted separately. As such, your
Committee requests your Committee on Ways and Means to incorporate
the adjustments expressed by this measure into the appropriate

legislative vehicle or amend this measure to include any provisions necessary to effectuate its purpose and intent.

Your Committee notes that funding for the emergency medical services base budget for Puna, Lanai, and Kauai was inadvertently left out of the Governor's Executive Budget request.

Accordingly, your Committee has amended this measure by:

- (1) Inserting a general fund appropriation of \$11,872,596 for fiscal year 2020 and \$15,040,191 for fiscal year 2021 to add funds to meet collective bargaining requirements and recurring personnel costs for service providers contracted to provide pre-hospital emergency medical service (HTH730/MQ); and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 813, as amended herein, and recommends that it pass Second Reading in the form attached hereto as S.B. No. 813, S.D. 1, and be referred to your Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committee on Commerce, Consumer
Protection, and Health,

ROSALYN H. BAKER, Chair

The Senate
Thirtieth Legislature
State of Hawai'i
