

STAND. COM. REP. NO. 1793

Honolulu, Hawaii

APR 03 2019

RE: S.C.R. No. 209
S.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Thirtieth State Legislature
Regular Session of 2019
State of Hawaii

Sir:

Your Committee on Water and Land, to which was referred
S.C.R. No. 209 entitled:

"SENATE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF
LAND AND NATURAL RESOURCES DIVISION OF BOATING AND OCEAN
RECREATION TO COLLABORATE WITH THE COUNTY OF HAWAII TO
IMPROVE AND STREAMLINE THE STATE WATERS AND BEACH AND
SHORELINE COMMERCIAL USE PERMIT PROCESSES FOR KAHALU'U BEACH
PARK ON HAWAII ISLAND,"

begs leave to report as follows:

The purpose and intent of this measure is to request the
Department of Land and Natural Resources' Division of Boating and
Ocean Recreation (DOBOR) to collaborate with the County of Hawai'i
to improve and streamline the state waters and beach and shoreline
commercial use permit processes for Kahalu'u Beach Park on Hawai'i
island.

Your Committee received comments on this measure from the
Department of Land and Natural Resources and Aha Moku Advisory
Committee.

Your Committee finds that commercial ocean activity operators
at Kahalu'u Beach Park are under dual government oversight. The
County of Hawai'i regulates activity on the beach, while DOBOR
regulates activity in the ocean waters. DOBOR adopted amendments
to the Hawaii Administrative Rules in 2016 to allow four

commercial surf instruction operators to receive permits for activities in Kahalu'u Bay ocean waters. The County of Hawai'i Department of Parks and Recreation Director and Deputy Director recently notified the Department of Land and Natural Resources that it intends to authorize all surf schools who meet the minimum requirements to conduct surf instruction from county property at Kahalu'u Bay, rather than only four surf schools. There are at least seven surf schools that have received authorization from the County of Hawai'i; however, under existing DOBOR administrative rules, only four commercial surf instruction operators can be issued a permit for commercial instruction in Kahalu'u Bay ocean waters. Your Committee further finds that this complex situation requires close collaboration between the Department of Land and Natural Resources and County of Hawai'i administration to reach a balanced solution for the community and commercial operators that addresses the issues of overcrowding and safety through the commercial permitting process.

Your Committee has amended this measure by:

- (1) Amending language to instead request DOBOR and the County of Hawai'i to collaborate to identify and pursue the best plan of action moving forward, given adjacent jurisdictions of the County and State at Kahalu'u Bay, to meet county and state interests in supporting a balanced solution for community and business to address issues of overcrowding and safety; improving, identifying, and protecting native Hawaiian rights and customary and traditional practices; and streamlining the state waters and beach and shoreline commercial use permit processes for Kahalu'u Beach Park;
- (2) Making conforming amendments to the reporting requirement;
- (3) Amending its title accordingly; and
- (4) Making a technical, nonsubstantive amendment for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 209,

as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 209, S.D. 1.

Respectfully submitted on
behalf of the members of the
Committee on Water and Land,

KAIAMA I. BAHULE, Chair

The Senate
Thirtieth Legislature
State of Hawai'i
