RELATING TO ELECTIONS.

Establishes a limited number of voter service centers that would remain open from the tenth business day preceding an election through the day of the election to receive personal delivery of mail-in ballots, accommodate voters with special needs, offer same day registration and voting, and provide other election services. Allows for additional places of deposit for personal delivery of mail-in ballots. Appropriates funds for the implementation and administration of the election by mail program. Requires the office of elections to submit a report to the legislature prior to the convening of each regular session from 2020 through 2025, regarding the implementation of a vote by mail system.
