SB 419

[Status &
Testimony](#)

RELATING TO MARRIAGE.

Raises the minimum age requirement to enter into marriage from sixteen to eighteen years of age. Removes the parental consent and written approval by the family court requirements for a minor to marry. Requires, rather than permits, the family court to declare void the marriage contract on the ground that the parties, or either of them, had not attained the legal age of marriage at the time of the marriage. Removes spousal cohabitation after the parties attain legal age as an exception for an annulment based on nonage. Makes conforming amendments.
