Committee on Commerce, Consumer Protection and Health

Friday, March 29, 2019 9:30 am Room 229

Aloha Senator Baker and Senator Chang,

My name is Patricia Johnson and a good friend of Shirley Davenport. I have known her for over 20 years and have worked with her in the mental health and substance abuse field. As a Licensed Clinical Social Worker, (LCSW) and Certified Substance Abuse Counselor in the State of Hawaii (CSAC), and with over 25 years of clinical experience, I have the knowledge and experience to know what it takes to be a leader in the field of addictions and mental health issues.

I found Shirley to be such a leader. She is ethical and leads with sound judgment during difficult decision making. She is very compassionate and knowledgeable in helping others with this population. She always shows genuine empathy and positive regards to those who are struggling in these areas of their lives.

I appreciate the opportunity to provide testimony and am available if you have any questions.

Aloha,

Patricia Johnson, LCSW CSAC
