State Capitol
State of Hawai'i
Honolulu, Hawai'i 96813

Dear Senator Baker and Members of the Committee:

SUBJECT: GM 526 - State Council on Developmental Disabilities
Gubernatorial Nominee John Beebe

The State Council on Developmental Disabilities (DD) **STRONGLY SUPPORTS GM 526** to confirm the nomination of John Beebe, for a term to expire June 30, 2022.

The Council's Federal mandate (P.L.106-402) is clear in determining the composition of this body to ensure that all the players involved in the development, implementation, and use of DD supports are represented. The law specifically requires that 60 percent of the membership of the Council be comprised of individuals with DD, their parents, or family members. Additionally, the following agencies are required to be on the Council: Department of Health (DOH); the agencies that administer funds provided under the Rehabilitation Act of 1973; the Individuals with Disabilities Education Act, the Older Americans Act of 1965; Titles V and XIX of the Social Security Act; the Protection and Advocacy Agency; the Centers for Excellence in DD Education, Research, and Service; agencies and private non-profit organizations concerned with services to individuals with DD. The Governor's nominee meets all the Federal requirements for Council membership.

Mr. Beebe is a father of a four year with Autism. He is currently serving as a Commander in the United States Coast Guard. He is recognized for his diplomatic skills, relationship building, creativity, and positive energy.

The Council is pleased with Mr. Beebe's nomination to serve on the Council and looks forward to his contributions to improve the quality of life for individuals with DD. Thank you for the opportunity to express our strong support for **GM 526** to confirm John Beebe to the State Council on Developmental Disabilities.

Sincerely,

Recommendation for John H. Beebe

I have known John for over 10 years and it is an honor to be a friend of a man who understands life in ways that many do not.

John takes an initiative that I don't often see. It reflects out into his family, community and the world at large. He has the ability to experience an uncomfortable situation, look at all sides of it, logically and physiologically dissect the parts into an understanding that he then creates into new knowledge that is uplifting and life changing for all involved.

John is a rare type of man. One who is loyal, honest, kind, loving, intelligent, and most of all, open to learning and growth. This is how he accomplishes all of the multitudes of things that he does.

As I stated in the first sentence, it is an honor to be called his friend. I know that he will assist your council with a positive footprint. His children are the catapult for him to get onto a platform such as yours in order to learn what is currently happening and to explore ways that will benefit the children and families that are living with developmental disabilities.
