Chair Baker and Members of the Committee:

My name is Ahlani K. Quiogue, and I am the Executive Officer of the Hawaii Medical (Board). The Board supports the confirmation of Dr. Peter Holt's reappointment to the Board as a licensee member.

Dr. Holt has been licensed since September 8, 2011, and his license is current, active, and in good standing. Dr. Holt has proven to be an extremely reliable and well-informed member. Not one to shy away from tough or controversial issues, Dr. Holt speaks pointedly about matters and asks relevant questions. Re: GM 613-Nomination of Peter Holt to the State Medical Board

Dear Chair Baker and members of the Committee on Commerce, Consumer Protection, and Health,

I work as a program Specialist at the Department of Health, and I write to you in full support for the nomination of Peter Holt to serve a second term on the State Medical Board.

I have known Dr. Holt for about eight years, and consider him among my closest friends. In that time I have observed his dedication to both his profession and to the Medical Board. He has always dedicated time to the community, especially in efforts to assist the homeless population and in the area of education. He was quite excited and nervous when he was first nominated to the Medical Board, but eagerly immersed himself in its work, serving as its liaison to the Federation of State Medical Boards. I am sure the Board and by extension the community would be well served if he is confirmed to a second term.

Mahalo for considering my testimony,
