**RE: GM 736: In Support of the Nomination and Confirmation of TERRY-ANN MOSES to the State Rehabilitation Council**

Dear Chair Ruderman, Vice Chair Rhoads, and Committee Members;

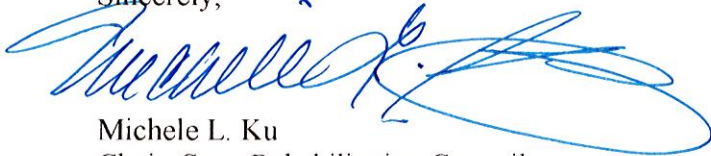

Thank you for the opportunity to express my strong support of Governor Ige's nomination of Terry-Ann Moses to the State Rehabilitation Council. Ms. Moses is seeking appointment to the SRC as a representative of a Disability Advocacy Group. As the current Chair, I am submitting testimony on behalf of the State Rehabilitation Council (SRC).

The SRC was established in the 1992 Amendments to the Rehabilitation Act of 1973. The SRC provides an external, consumer-oriented perspective as it acts in partnership with the Division of Vocational Rehabilitation (DVR) on services that address the employment needs of individuals with disabilities.

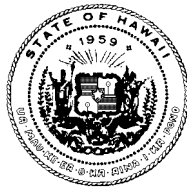

Ms. Moses has numerous years of experience working with vulnerable populations including the homeless, runaways, and persons with disabilities. Most of her professional experience has been focused on providing disability related supports and services most specifically for individuals with a diagnosis of a mental illness including a transitional employment program for clients. Ms. Moses is a strong advocate that is passionate about eliminating barriers for persons with disabilities.

As a result, we believe that Ms. Moses' experience, advocacy skills, passion, and desire to serve will continue to be of great value to our consumers, State Rehabilitation Council, and the State of Hawaii.

Sincerely,

Michele L. Ku
