By
John Morton
Vice President for Community Colleges
University of Hawai'i System

HB 1455 HD2 – RELATING TO UNIVERSITY OF HAWAII

Chair Kim, Vice Chair Kidani, and members of the committee:

Thank you for the opportunity to testify in support of HB 1455 HD2. The University of Hawai'i Maui College International and Regional Partnership Office was inspired by Filipino leaders guided by the spirit of Filipinos' immigration to Hawai'i in 1906. The Office's overall intent is to open the doors to more international countries for our students to study, changing the narrative and mobilizing a new generation of students in Hawai'i by supporting their international mobility.

Through our experience in the Philippines with the support and funding of the I.M. Ready Program and the community we, the four delegates, were able to have an experience that would otherwise not be possible. . . Through programs such as the I.M. Ready Program, I can formulate my own ideas and set new goals because of these personal experiences. Lastly, I will be forever grateful to all the new acquaintances and friendships that I have formed and have kept up with until this day. All of these are reasons why future students will benefit from international programs and why I will be returning to the Philippines as much as I can in the future. (Alickzander Pasalo - UHMC Student IM [International Mobility] Ready Program October 11, 2018

Our goal is to facilitate collaboration by bringing together diverse international stakeholders in science, education, business and government, the humanities and technology among our partnerships in Philippines, Prague, Japan/Okinawa and Taiwan. The Office provides a platform to foster creativity and respond to emerging challenges in our lives, communities, and the world through compassion, problem-solving and novel innovations.

The opportunity to rediscover one's roots, while earning valuable workforce development skills and international sensibilities on innovation, culture and community are among the higher education options we wish to offer our students." (University of Hawai'i Maui College Chancellor Lui Hokoana)

HB 1455 HD2 proposes unspecified funding the University of Hawai'i Maui College's International and Regional Partnership Office that includes an unspecified number of full-time positions for an international educational management specialist and an international/regional partnership specialist; and unspecified funding to support study abroad opportunities for University of Hawai'i Maui College students.

In closing, the University of Hawai'i supports the intent of HB 1455 HD2 on the condition that any positions or funds do not supplant any portion of the University's Biennium Budget Request.

Thank you for considering this testimony in your deliberations.

HB 1455, HD2 – RELATING TO UNIVERSITY OF HAWAII

Chair Kim, Vice Chair Kidani, and members of the committee:

Thank you for the opportunity to testify in support of HB 1455, HD2. The University of Hawai'i Maui College International and Regional Partnership Office was inspired by Filipino leaders guided by the spirit of Filipinos' immigration to Hawai'i in 1906. The Office's overall intent is to open the doors to more international countries for our students to study, changing the narrative and mobilizing a new generation of students in Hawai'i by supporting their international mobility.

Through my experience in the Philippines with the support and funding of the I.M. Ready Program and the community I was able to have an experience that would otherwise not be possible. . . Through programs such as the I.M. Ready Program, I have a deeper understanding and more compassion on how I can influence my community and the nations in a culturally sensitive way. I am forever grateful to all the new acquaintances and friendships that I have formed and have kept up with until this day. I feel more confident in taking action in my community to be a better representative and leader to share all that I have learned.

Two weeks ago I was also able to return to the Philippines on a medical mission to continue to give back. This I.M. Ready Program helped inspire, ignite, and influence me to return to collaborate and join local leaders in the Philippines with insights and wisdom I acquired from the past trip.

I was able to discover more of who I am and where my ancestors and even some of my immediate family came from. To me that experience has changed my life.

Thank you for considering my testimony in your deliberations.

Comments:

Aloha Chair Kim and members of the Committee,

My name is Kit Zulueta Furukawa, Marketing Director of UH Maui College. I am testifying in support of House Bill 1455, appropriating funds to the University of Hawaii Maui College's international programs.

Last June, I had the honor of leading four UHMC students to a 2-week immersion in the Philippines in a program called I.M. Ready, which stands for International Mobility Ready. The program aims to empower students by providing them opportunities to gain global experiences, expand their network and build lasting relationships beyond the islands of Maui County.

The students attended classes in our partner universities and brought back with them not only wealth of information, but genuine friendships made with their professors and classmates. It was a trip to remember.

This was made possible because of the support of Filipino leaders in the Maui community who believed in the program. We raised enough funds to execute a decade-long vision, and now come before the legislature as we deem it is appropriate at this point for our international efforts be supported to scale.

Other reasons why I support this measure:

1. While many community colleges across the nation - UHMC included - experience challenges in enrollment, it is important to innovate and find ways to remind our students of the benefit of learning and continuing their education. By expanding our partnerships in the US Mainland, in Asia and Europe, we will be able to showcase why Maui no ka oi when it comes to innovation.

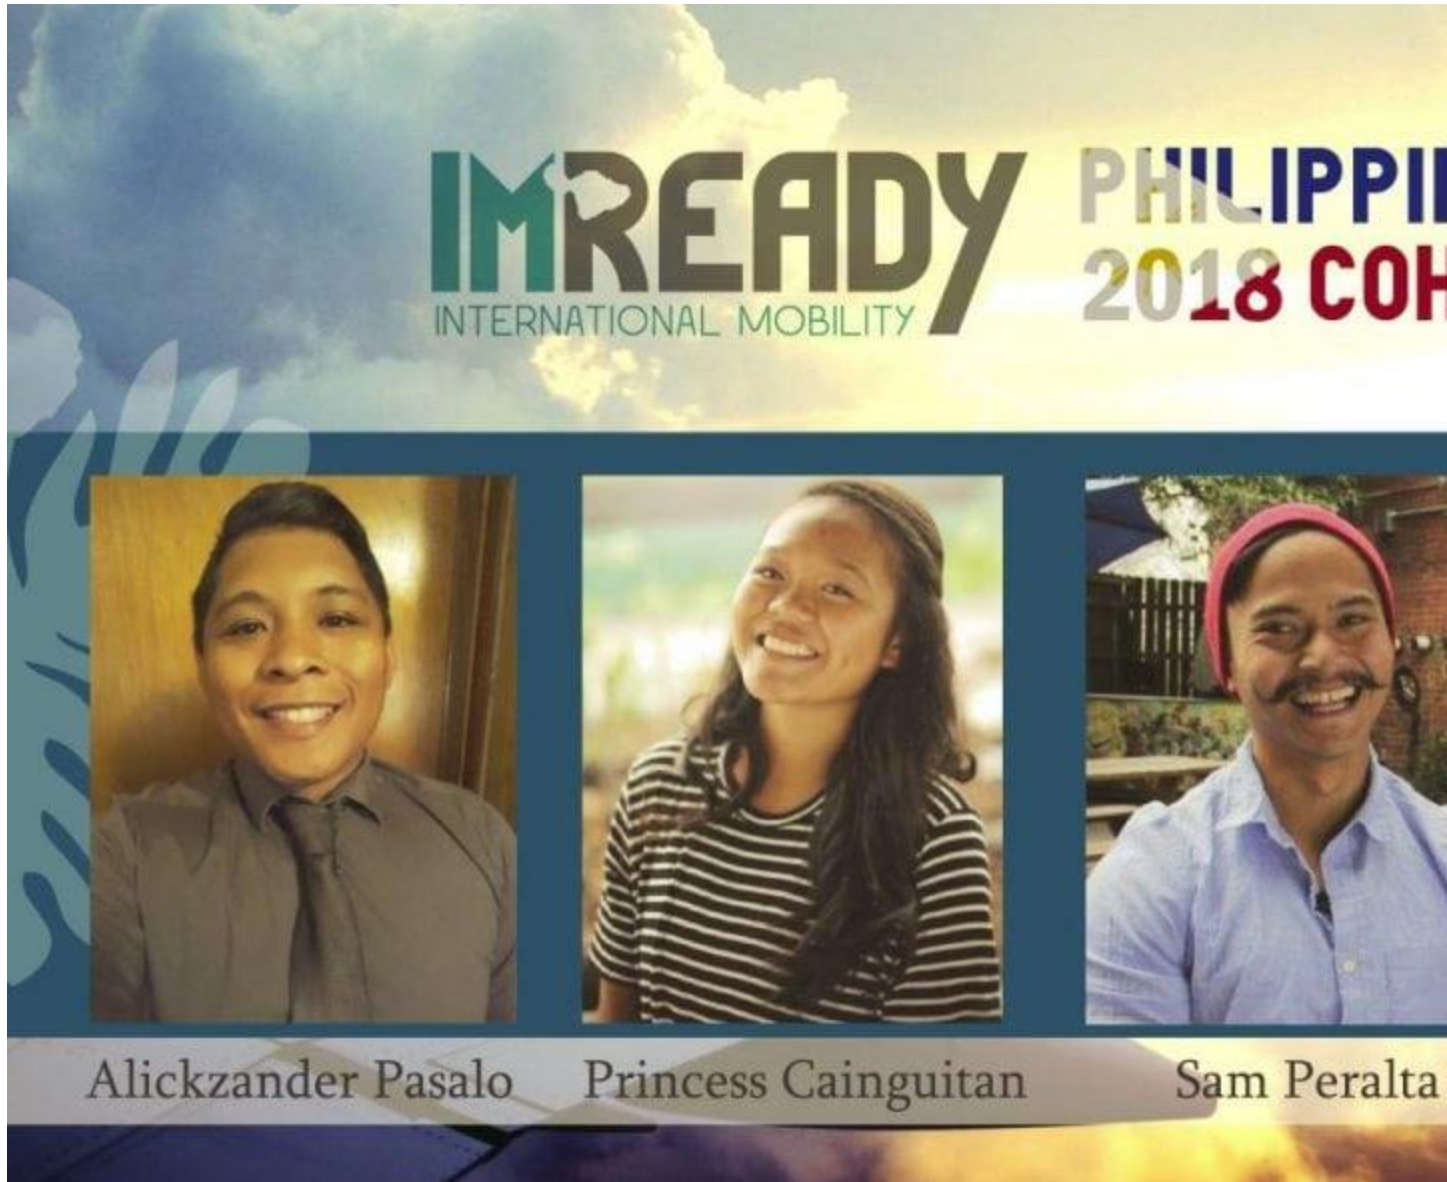

2. As numbers in our visitor industry soar, our local students seek experiences outside our waters. We want them to experience the uncomfortable to gain courage and sensibilities to survive in the world, highlighting how relationships blossom among individuals who have different skin colors and speak different languages, yet we are all the same.

3. Finally, the impact made by international programs - study abroad or exchange programs, to our students is mindblowing. Plants without roots cannot grow, and seeing how the minds and hearts of these students have changed is an investment worthy pursuing.

For these reasons, I urge you to support HB1455.

Supporters of the program on Maui - dedicated community leaders who believed in the vision.

IMREADY PHILIPPINE
INTERNATIONAL MOBILITY 2018 COHORT

Alickzander Pasalo Princess Cainguitan Sam Peralta

The image is a promotional banner for the IMREADY Philippines 2018 Cohort. It features a background of a bright sky with clouds. At the top, the logo 'IMREADY' is written in large, bold, green and black letters, with 'INTERNATIONAL MOBILITY' in smaller green letters below it. To the right, 'PHILIPPINE' is written in blue and '2018 COHORT' in red and white. Below the logo, there are three portrait photographs of individuals: Alickzander Pasalo (a man in a grey shirt and tie), Princess Cainguitan (a woman in a black and white striped shirt), and Sam Peralta (a man in a light blue shirt and a pink headband). Below each photo is a grey banner with the person's name in white text.

On Oct. 16, 2017, UH Maui College hosted a breakfast reception funded by its partner, the Maui County Sister Cities Foundation at Dusit Thani Hotel in Makati City. Philippine university officials attended the reception to support the international program, with honored guests State of Hawaii Gov. David Ige and Philippine Consul General of Honolulu Gina Jamoralin.

Other State of Hawaii officials present at the reception were Department of Business, Economic Development & Tourism Director Luis Salaveria, Department of Transportation Director Jade Butay, as well as Friendship City San Juan Councilor

Vincent Pacheco and former Commission on Filipinos Overseas Executive Director Mary Grace Tirona. Officials from partner institutions and organizations such as the U.S. Embassy Cultural Affairs Division, Ayala Foundation and Ayala Land, Teach for the Philippines, Rosa Farms, Filipino Chamber of Commerce of Hawaii, Rotary Club Manila, FEdCenter Finance Education and Rajah Travels were in attendance.
