OF ESTABLISHING A HAWAII COMMERCIAL HARBORS AUTHORITY.

Testimony of Ku'uhaku Park
On Behalf of Matson
Support of HCR60/HR61
Before the Committee on Transportation
March 22, 2019

Dear Chair Aquino, Vice Chair Hashimoto, and Members,

Matson strongly supports HCR60/HR61, which requests the Harbors Division of the Department of Transportation to convene a task force to study the feasibility of establishing a Hawaii Commercial Harbors Authority. Matson is the largest user of the state harbor system and the largest contributor to the operating budget of the State's harbors. A Commercial Harbors Authority will allow for a more efficient and cost-effective process for much needed harbor renovations. It will also create a platform for integrated planning that will greatly benefit the State of Hawaii.

The current governance model is not conducive to maximizing efficiency for the current harbor system. The responsibility of development, management, and operation of the State's commercial harbor system are distributed among several state agencies. Delays to the capital program, deferral of maintenance and modernization resulting from complex State approval requirements and decision-making processes are limiting capacity to accommodate demand. An independent authority would allow for quicker decision-making and a streamlined process for budgeting and procurement.

Thank you for your consideration of my testimony in strong support.

STATEMENT OF THE ILWU LOCAL 142 ON H.C.R. 60/H.R. 61

The ILWU Local 142 **supports** H.C.R. 60/H.R. 61, which requests the Harbors Division of the Department of Transportation to convene a task force to study the feasibility of establishing a Hawaii Commercial Harbors Authority.

The ILWU Local 142 has serious concerns over the establishment of a Hawaii Commercial Harbors Authority. That said, we support the effort to convene a working group to ensure all stakeholders such as the ILWU Local 142 have a voice over any potential decisions regarding the possible formation of a Harbor Authority.

The ILWU Local 142 recommends the passage of H.C.R. 60/H.R. 61. Thank you for the opportunity to testify.
