To: The Honorable Karl Rhoads, Chair  
Members of the Senate Committee on Judiciary

From: Linda Hamilton Krieger, Chair  
and Commissioners of the Hawai‘i Civil Rights Commission

Re: S.B. No. 1048, S.D. 1

The Hawai‘i Civil Rights Commission (HCRC) has enforcement jurisdiction over Hawai‘i’s laws prohibiting discrimination in employment, housing, public accommodations, and access to state and state funded services (on the basis of disability). The HCRC carries out the Hawai‘i constitutional mandate that no person shall be discriminated against in the exercise of their civil rights. Art. I, Sec. 5.

The HCRC supports the intent of S.B. No. 1048, S.D. 1.

S.B. No. 1048, S.D. 1, if enacted, would make confidentiality clauses in employment contracts unenforceable as to a sexual harassment claim, with an exception for confidentiality agreements that are part of a settlement of a specific claim. The bill would also prohibit mandatory arbitration agreements requiring the arbitration of sexual harassment claims, except as otherwise provided by federal law, and render such mandatory arbitration agreements unenforceable.

As a result of the Harvey Weinstein accusers coming forward and the rise of the #MeToo movement, there is growing outcry and condemnation of the use of confidentiality agreements and private dispute resolution to keep sexual harassment complaints secret and off the record, allowing serial harassers to escape scrutiny and enabling them to continue to harass others.

HCRC supports the intent of the bill, but notes that state law prohibitions against pre-dispute mandatory arbitration agreement requiring arbitration of employment claims have been held to be preempted by the Federal Arbitration Act (FAA). (See *Brown v. KFC National*

*Management Co.*, 82 Hawai‘i 226 (1996)). The U.S. Supreme Court has refused to enforce agreements that are unconscionable or which would, by the parties’ agreement, limit the law enforcement authority of the U.S. Equal Employment Opportunity Commission (EEOC), and state and local fair employment enforcement agencies like the HCRC.

It is worth noting that the Obama Administration issued an Executive Order on Fair Pay and Safe Workplaces, prohibiting certain federal contractors from entering into mandatory pre-dispute arbitration agreements with their employees covering employment discrimination claims and tort claims related to or arising out of sexual assault or harassment. The legislature could impose a similar prohibition on state contractors by amending the state procurement law to prohibit state contractors from entering mandatory pre-dispute arbitration agreements with their employees, as a condition of contracting with the state.

The HCRC supports the intent of S.B. No. 1048, S.D. 1.

Comments:

Dear Chair Rhoads, Vice Chair Wakai, and Members of Senate Committee on Judiciary,

Thank you for this opportunity to submit a testimony in SUPPORT of SB1048 SD1, which bans mandatory arbitration agreements as to sexual harassment. This will also make mandatory confidentiality clauses in an arbitration agreement unenforceable as to sexual harassment claims.

Mandatory confidentiality clauses in sexual assault and sexual harassment, as are NDAs, is another form of silencing the victims. Hawaii should join other 16 states to put an end to this outdated practice (Source: [SHRM "States Take Action Against Nondisclosure Agreements"](#)).

The American Association of University Women (AAUW) of Hawaii is a state-wide organization made up of six branches (Hilo, Honolulu, Kauai, Kona, Maui, and Windward Oahu) and includes just over 450 active members with over 1700 supporters statewide. As advocates for gender equity, AAUW of Hawaii promotes the economic, social, and physical well-being of all persons.

Please pass SB1048 and mahalo for this opportunity to testify in support of this important bill.

Representative Karl Rhoads, Chair

**Re: S.B. 1048, S.D. 1, RELATING TO SEXUAL HARASSMENT.**

**Hearing: Friday, February 22, 2019, 9:00 a.m., Room 016**

Dear Chair Rhoads and Members of the Committee on Judiciary:

Hawaii Women Lawyers (“HWL”) **supports the intent** of S.B.1048, S.D. 1, which is to make confidentiality clauses in employment contracts and arbitration agreements unenforceable as to sexual harassment claims; and prohibit mandatory arbitration agreements as to sexual harassment claims.

The mission of Hawaii Women Lawyers is to improve the lives and careers of women in all aspects of the legal profession, influence the future of the legal profession, and enhance the status of women and promote equal opportunities for all.

Last year, HWL conducted a survey of its members as to the incidences and experiences of sexual harassment in the legal community.<sup>1</sup> 76 attorneys responded to the survey. Nearly 60% (42 attorneys) reported being sexually harassed at some time during their legal career, with approximately 13% (10 attorneys) reporting having been sexually harassed in the workplace within the last two years.

It is common for victims of sexual assault and harassment not to report abuse for fear of retaliation. Confidentiality clauses in employment contracts and mandatory arbitration agreements that apply to sexual harassment claims have the impact and effect of further silencing victims. They can also allow repeat offenders to continue to engage in serial harassment.

---

<sup>1</sup> HWL has 357 active members, who are all members of the Hawaii State Bar Association. The survey was conducted between January 12, 2018 and February 4, 2018. The survey was done on a strictly voluntary and anonymous basis, and with the understanding that any stories provided by survey respondents may be shared publicly to raise awareness of the occurrence of sexual harassment in the legal community. The survey was conducted for informational purposes only, and HWL has not conducted an independent investigation as to and cannot guaranty the accuracy of the results of the survey or the specific instances of harassment shared by survey respondents. HWL recognizes that terminology may carry different connotations for different parties and did not define “sexual harassment” in the survey. HWL also recognizes that men are victims of sexual harassment as well as women, but as the mission of HWL is to improve the lives and careers of women in all aspects of the legal profession, the main focus of the article is on the experiences of female victims.

While HWL supports the intent of this bill, HWL notes that this measure expressly allows for confidentiality agreements when entered into by the parties as part of a legal settlement to a specific claim of sexual harassment, and does not prohibit use of a voluntary confidentiality provision where specific claims of sexual harassment are alleged. HWL comments that, to adequately protect victims and prevent the silencing of victims, the Committee may consider allowing the condition of confidentiality in any settlement concerning sexual harassment to be at the sole request or election of the victim.

Thank you for the opportunity to submit testimony on this measure.

Comments:

Aloha Chair Rhoads, Vice Chair Wakai and members,

The Coalition is in strong support of this measure. Nondisclosure agreements often protect the perpetrator and not the victim. Plus the protective status afforded the perpetrator leaves him free to find another unsuspecting victim.

Please pass,

Mahalo,

Ann S. Freed, Co-Chair, Hawaii Women's Coalition
