S.B. 1091, S.D.1
RELATING TO THE DEPARTMENT OF TRANSPORTATION.

Senate Committee on Ways and Means

The Department of Transportation (DOT) **supports** S.B. 1091, S.D.1, and offers comments, which appropriates funds for capital improvement projects for the Highways Division.

There appears to be two places in the bill that have typographical errors in the amounts given:

- On Page 11, line 41, it lists the spending on design as "2,5000". We believe this should read "2,500". As it is written, the total by spending type and the total by MOF are different. With this change, they would align.
- On page 19, line 19, it lists the funding amount as "2,00" for revenue bonds (E). We believe this should read "2,000". As it is written, the total by spending type and the total by MOF are different. With this change, they would align.

Inclusion of "Part VI. Issuance of Bonds", "Part VII. Special Provisions", and "Part VIII. Miscellaneous and Effective Date", of HB 964/SB 126 are respectfully requested as well, inasmuch as they pertain to the functions and needs of the Division.

Thank you for the opportunity to provide testimony.
