**S.B. 509 S.D. 2
RELATING TO THE DEPARTMENT OF TRANSPORTATION**

House Committee on Transportation

The Department of Transportation (DOT) **supports** the intent of S.B. 509 S.D. 2 that appropriates for operating expenses for the highways division.

S.B. 509 S.D. 2 amends appropriations provided by Act 49/SLH 2017 as amended by Act 53/SLH 2018. However, the DOT respectfully has the following concerns regarding S.B. 509 S.D. 2 in its current form:

- S.B. 509 S.D.2 should **exclude** the following non-recurring costs:
 - TRN 595/DB Highways Administration
 - Special Maintenance Program \$11,500,000 (A)
 - Special Maintenance Program \$70,943,000 (B)
 - Van Pool Program \$500,000 (B)
 - TRN 597/AB Highways Safety
 - Non-motorized Safety Program \$157,747 (N)

The Department appreciates S.B. 509 S.D.2 providing additional funding for the operations and maintenance of the Highways Division. The Highways Division proposes the following amendments:

- Section 2. Item #4. TRN 595/DB Special maintenance program funding should be revised to reflect HB 116 SD1 (operating budget adjustments bill):

Current:

FY 20: \$44 million (B)

FY 21: \$58 million (B)

Revision:

FY 20: \$35 million (B)

FY 21: \$49 million (B)

The revised amounts are needed to accommodate the conversion of 421.00 FTE project funded positions. Reduction in funding is required to maintain fiscal constraints based on current revenue authorization levels.

- The conversion of 421.00 FTE permanent Project Funded Positions requires the following:

- Establish a new suborganization code: TRN 595/DA Highways Administration/CIP;
- Authorize 421.00 FTE permanent special funded (B) positions in FY 20 and FY 21.
- Appropriate the following amounts:

<u>Fiscal Year</u>	<u>Amount</u>	<u>MOF</u>
2019-2020	\$28,475,820	B
	\$8,000,000	N
2020-2021	\$28,480,236	B
	\$8,000,000	N

- The un-funding (**position count to remain and reduce appropriation funding**) of 50.00 FTE permanent special funded (B) positions is required to maintain fiscal constraints based on current revenue authorization levels.

<u>TRN</u>	<u>FY 20</u>	<u>FY 21</u>
501/DC	-\$419,812 (B)	-\$426,727 (B)
511/DD	-\$922,284 (B)	-\$940,828 (B)

Total	-\$4,054,712(B)	-\$4,084,762(B)

- To meet the Highways Division's operations & maintenance and capital improvement project delivery needs, we propose a **reduction of 50.00 FTE special funded positions and funding and the establishment of 50.00 FTE special funded positions and funding**. The FTE position neutral trade-off is as follows:

Reduction

<u>TRN</u>	<u>FTE</u>	<u>FY 20</u>	<u>FY 21</u>

Please refer to four (4) attachments on listings of: Project-funded Position Conversion, Positions to be Reduced in Funding, Positions to be Reduced, and Positions to be Added.

- The proposed bill should **include** collective bargaining:
