**Senate Bill 592, Relating to the Salary of the State Librarian**

Dear Chair Kidani, Vice Chair Kim, and Members of the Committee:

The Board of Education ("Board") would like to testify in support of SB 592, which would limit the State Librarian's salary to ninety percent of the Superintendent's salary.

The State Librarian oversees Hawaii's State Public Library System, which is responsible nurturing the lifelong learning needs of all of the citizens of Hawaii. This includes oversight of 51 physical branches statewide as well as growing online and digital resources. Public libraries are the heart of many of our communities and serve as an essential partner with education in this state.

This bill will provide the Board with the flexibility and discretion it needs to attract and retain high-quality candidates while simultaneously setting a degree of accountability by tying the salary of the State Librarian to another statutory position and ensuring that it never exceeds the salary of the Superintendent.

Thank you for this opportunity to testify on behalf of the Board.

Very truly yours,

Catherine Payne
