Statement of
CHRIS TATUM

Hawai'i Tourism Authority
before the
SENATE COMMITTEE ON ENERGY, ECONOMIC DEVELOPMENT AND TOURISM
And
SENATE COMMITTEE ON GOVERNMENT OPERATIONS

Monday, February 4, 2019
2:45 PM
State Capitol, Conference Room #414

In consideration of
SENATE BILL NO 992
RELATING TO TOURISM.

Chairs Wakai and Thielen, Vice Chairs Taniguchi and Inouye, and members of the Senate Committees on Energy, Economic Development, and Tourism and Government Operations: The Hawai'i Tourism Authority (HTA) **supports** Senate Bill 992, which separates the management contract for the Hawai'i Convention Center from the contract for marketing for all uses of the facility.

Under the current law, the management contract for the Hawai'i Convention Center is required to include the marketing of the facility. By allowing the management contract to be separate from the marketing contract, SB992 will provide HTA with the ability to centralize the sales effort for all meetings, conventions and incentives (MCI) business, which is mostly driven by consistent customer requests, to a single point of contact. In addition, centralizing the sales effort will enable efficiencies in staffing, marketing, travel and sales technology as well as leverage existing destination branding and messaging for the MCI market.

It is for these reasons that the HTA **supports** SB992. We appreciate this opportunity to provide testimony.
