In consideration of
SENATE CONCURRENT RESOLUTION 28/SENATE RESOLUTION 20
URGING THE DEPARTMENT OF LAND AND NATURAL RESOURCES TO
MANAGE THE WAI'ANAË KAI FOREST AND RESTORE WATER FLOW IN
WAI'ANAË STREAMS FOR NATIVE HAWAIIAN TRADITIONAL AND
CUSTOMARY PRACTICES AND IMPLEMENTATION OF THE WAI'ANAË KAI
WILDFIRE PREPAREDNESS PLAN

Senate Concurrent Resolution 28/Senate Resolution 20 urges the Department of Land and Natural Resources to manage the Waianae Kai Forest and restore water flow in Waianae streams for native Hawaiian traditional and customary practices and implementation of the Waianae Kai Wildfire Preparedness Plan. **The Department of Land and Natural Resources (Department) supports these measures.**

The Department's Division of Forestry and Wildlife is the land manager of the Waianae Kai Forest Reserve, a 2,161 acre forest reserve located on leeward Oahu. The Forest Reserve is a part of the greater 5,960 acre Waianae Kai Watershed, a priority watershed for the Board of Water Supply, and is home to more than 52 state and federal endangered species. The Forest Reserve has been impacted by numerous fires throughout the years, the most recent being the fire of August 2018, which burned more than 5,000 acres across Waianae Kai, Makaha, and Keaau valleys. Being the adjacent neighbor to Kaala Farms, Inc., the Department supports the awarding of the grant-in-aid and the creation of the Waianae Kai Wildfire Preparedness Plan.

Key points that the Department supports in the plan are: (1) Improvements to security through construction of a security office or gate; (2) Construction of a tank, pond, or reservoir to provide water for firefighting helicopters; (3) Installation of fire hydrants and pressurized water lines at strategic locations in the upper valley; (4) Creation and maintenance of fire breaks at strategic locations; (5) Installation of a sprinkler system to irrigate vegetative fire breaks; (6) Fuel load reduction; and (7) Public education and preparedness training.

Implementing the plan will help the Department protect the native, cultural, and water resources for the benefit of the greater Waianae coast community. In addition, it will enhance support for numerous Waianae Mountains Watershed Partnership projects that are already ongoing in the Waianae Kai Watershed.

Thank you for the opportunity to comment on these measures.

The Office of Hawaiian Affairs (OHA) Beneficiary Advocacy and Empowerment Committee will recommend that the Board of Trustees **COMMENT** on SCR28/SR20, which encourages efforts to more proactively protect our water supply and uphold the public trust in water in the Wai'anae watershed.

Water has been recognized as a public trust resource in our islands since time immemorial, and our constitution, State Water Code, and case law accordingly reaffirm the importance of protecting and carefully administering our limited water supply for the public benefit. Unfortunately, in many regions throughout Hawai'i, the public trust in water has been neglected for generations, as stream diversions and private wells allowed sugar and pineapple plantations to increasingly monopolize our water resources for their private, commercial gain; this monopolization of our water supply has had and continues to have profound and deleterious effects on our environment as well as Native Hawaiian communities and cultural lifestyles otherwise protected under the public trust. While recent developments have been encouraging, the public trust purposes of water, including Native Hawaiian traditional and customary practices, continue to be neglected in a majority of areas impacted by historical diversions and other water infrastructure.

OHA accordingly appreciates the intent of this resolution to ensure more proactive efforts to recognize and uphold the public trust in the Wai'anae watershed, including with regards to the public trust purpose of supporting Native Hawaiian traditional and customary practices. OHA also appreciates this resolution's call to proactively protect and enhance the Wai'anae watershed's water security and climate resiliency, through native forest restoration efforts and mauka-to-makai land management practices consistent with traditional Native Hawaiian approaches to land tenure. OHA defers to the Commission on Water Resource Management and the Department of Land and Natural Resources with regards to the hydrologic characteristics and best means of enhancing the water resources of the Wai'anae watershed, as may be described in this resolution.

Mahalo nui for the opportunity to testify on this measure.

FOREST AND RESTORE WATER FLOW IN WAI'ANAE STREAMS
FOR NATIVE HAWAIIAN TRADITIONAL AND CUSTOMARY
PRACTICES AND IMPLEMENTATION OF THE WAI'ANAE KAI
WILDFIRE PREPAREDNESS PLAN

MARCH 16, 2019

Aloha Senator Kaiali'i Kahele (Chair), Senator Gilbert Keith-Agaran, and
the Senate Committee on Water and Land,

Senator Maile Shimabukuro (Chair) and Senator Kaiali'i Kahele (Vice
Chair) and the Committee on Hawaiian Affairs,

As Pelekikena (President) of Ke One O Kākūhihewa (O'ahu Council-
Association of Hawaiian Civic Clubs) and its 25 Hawaiian Civic Clubs, we
support SCR 28 / SR20 URGING THE DEPARTMENT OF LAND AND
NATURAL RESOURCES TO MANAGE THE WAI'ANAE KAI FOREST
AND RESTORE WATER FLOW IN WAI'ANAE STREAMS FOR
NATIVE HAWAIIAN TRADITIONAL AND CUSTOMARY PRACTICES
AND IMPLEMENTATION OF THE WAI'ANAE KAI WILDFIRE
PREPAREDNESS PLAN. This bill recognizes the sentiments of the
Wai'anae community as discovered by a young group of students from
Nānākuli High School. These students of the 'A'ali'i program went
before the Wai'anae Neighborhood board to bring forth their water
concerns based on research and community interviews. The students
then brought their resolution to the Association of Hawaiian Civic Clubs
(Association) which not only emphasized the need for water for
customary practices, but also the restoration of the Wai'anae Kai forest
to allow natural water processes to be maintained.

SCR 28 /SR 20 not only recognizes traditional and customary water rights afforded under State law but it also urges the development of a Wai'anae Kai Fire Preparedness Plan. Fires have decimated portions of Wai'anae Valley in recent years and an interagency plan with community input is greatly needed.

Thus, O'ahu council urges your committees to PASS SCR28 /SR 20.

Ke One O Kakūhihewa is a native Hawaiian council made up of 25 civic clubs on the island of O'ahu. Our oldest member, Hawaiian Civic Club of Honolulu was established by Prince Jonah Kūhiō Kalaniana'ole on December 7, 1918.

Sincerely,

Benton Kealii Pang, Ph.D.

Aloha Chair Kahele, Vice Chair Keith-Agaran, and Members of the Committee on Water and Land,

RE: SCR20/SR20, Relating to Water Management.

The O'ahu County Democrats write in support of the proposed measure, Senate (Concurrent) Resolution 20. The resolution seeks to restore water flow in the Wai'anae Kai Forest Reserve for the purposes of benefitting certain cultural land use practices, as well as fire preparedness.

Our Platform states that we "believe in an integrated approach of agricultural innovation and sustainability... [including], but is not limited to, the adoption of the *kanaka maoli* concept of *ahupua'a*, an integrated approach to land management." The restoration of stream flow for such comprehensive land use, with traditional cultural practices is a more integrated resource management system.

With wildfire being a prominent and rising risk for our communities, we also recognize that publicly available freshwater sources are important for implementing the existing Fire Management Plan for Wai'anae Kai. Though our Platform does not specifically mention fire management, we recognize its great importance for human health, safety, and economic stability.

Consequently, I write in support of the SCR20 and SR 20, and commend Senator Shimabukuro for introducing the measure. Thank you for your consideration and please vote in the affirmative.

Respectfully,

Dylan P. Armstrong, Vice Chair
O'ahu County Committee, O'ahu County Democrats

Aloha Luna Ho ‘omalu Kaiali‘i Kahele, Hope Luna Ho ‘omalu Gilbert Keith-Agaran, Luna Ho ‘omalu Maile Shimabukuro, Hope Luna Ho ‘omalu Kaiali‘i Kahele and members of the Senate committees on Water and Land and Hawaiian Affairs:

The Association of Hawaiian Civic Clubs **SUPPORTS** SCR214/SR173. This resolution urges efforts to implement the Wai‘anae Kai wildfire preparedness plan, effective management of the Wai‘anae Kai Forrest Reserve with native trees and shrubs, and restoration of the areas devastated by the August 2018 wildfires. At its 58th annual convention, the Association passed resolution 2018-35, expressing support of efforts to restore Wai‘anae Kai Forest Reserve and water flow in Wai‘anae watershed streams for traditional and customary Native Hawaiian Practices.

Thus, the Association respectfully urges the committee to **PASS** SCR28/SR20.

The civic club movement was founded in 1918 by Congressional Delegate Prince Jonah Kūhiō Kalaniana‘ole with the creation of the Hawaiian Civic Club; the Association was formally organized in 1959 and has grown to a confederation of over sixty (60) Hawaiian Civic Clubs located throughout the State of Hawai‘i and the United States. The Association is the oldest Hawaiian community-based grassroots organization. The Association is governed by a 16-member Board of Directors; advocates for improved welfare of Native Hawaiians in culture,

health, economic development, education, social welfare, and nationhood; and perpetuates and preserves language, history, music, dance and other Native Hawaiian cultural traditions.

Mahalo for allowing us to share our *mana* 'o.
