COMPLIANCE AND ENFORCEMENT

When a complaint is filed with the Insurance Division, the Compliance and Enforcement (C&E) Branch conducts an investigation to assure compliance with the applicable statutes and rules. Appropriate disciplinary actions are recommended by the C&E Branch when necessary. If it is determined that a case warrants prosecution, it is referred to the Legal Branch for administrative action, with some cases referred to the Department of the Attorney General for prosecution by the State. To file a complaint, a complaint form must be filled out and submitted to the Insurance Division.

During the fiscal year (FY)¹, consumers and the insurance industry saved or recovered \$1,134,143.26 from insurers and agents with the assistance of the Insurance Division's C&E Branch. The C&E Branch received 533 complaints for the following classes of insurance:

REPORT OF THE INSURANCE COMMISSIONER OF HAWAII

INSURANCE FRAUD INVESTIGATION

The Insurance Fraud Investigations Branch (Fraud Branch) conducts a statewide program to prevent, investigate, and prosecute insurance fraud cases and complaints relating to all lines of insurance, except workers' compensation insurance. The Fraud Branch reviews referrals submitted by the insurance industry, other agencies, and the public and opens investigations in all cases where it suspects that a crime may have been or is currently being committed. State law requires that any insurer or insurer's employee or agent, who believes it has received a fraudulent claim, refer the case to the Fraud Branch within 60 days.

The Fraud Branch employs special deputy attorneys general to initiate criminal prosecutions. By employing deputies trained in criminal prosecution, all cases receive prompt attention and representation in the criminal justice system. The branch includes 10 employees, including prosecutors, investigators, and administrative staff.

During FY 2018-2019, the Fraud Branch received 439 referrals from insurance companies, various agencies, and the public. Of those accepted for prosecution, criminal indictments were obtained against 25 individuals with a fraud amount totaling \$173,175 for the FY. The Fraud Branch obtained \$122,000 in restitution, with \$32,000 payable to the Crime Victim Compensation Fund, \$2,000 in fines to the State, and 260 hours of community service. There were also probation service fees in the amount of \$4,125, and miscellaneous fees of \$3,133.

In addition to their duties and obligation to prevent, investigate, and prosecute insurance fraud cases and complaints, the Fraud Branch assisted the C&E Branch in reviewing licensee applications and renewals. Specifically, the Fraud Branch assisted in screening 1,884 applications and renewal applications for producer licenses for criminal convictions and administrative action histories.

The Fraud Branch works to prevent insurance fraud by making available copies of its informational brochure and providing presentations to First Insurance and the Hawaii State Claims Managers meeting. The Fraud Branch participated in training seminars offered by the Public Agency Training Council, Western States Auto Theft Investigators, International Association of Special Investigations Units, National Fraud Directors, and Ternion Risk Mitigation Group.

REPORT OF THE INSURANCE COMMISSIONER OF HAWAII

HEALTH INSURANCE

The Health Insurance Branch is responsible for regulating health insurers, including health maintenance organizations and mutual benefit societies.

Of these complaints and inquiries: 44 were resolved; 21 did not fall under Health Insurance Branch jurisdiction and were provided with information to resolve their disputes or referred to the appropriate agency for resolution; 16 went to independent external review; 3 are pending; and 3 were withdrawn. Complaints resolved during this period saved consumers more than \$211,731.

In addition to addressing complaints and inquiries, the Health Insurance Branch answers information requests from consumers, healthcare providers, and health insurance professionals by responding to e-mails and providing callers with information on health insurance matters. During the FY, the Health Insurance Branch handled more than 567 informal inquiries.

Pursuant to HRS chapter 431, article 10, part I, the Health Insurance Branch reviews health insurance contracts and forms to ensure readability and the disclosure of required information. It also reviews premium rate filings of managed care plans pursuant to HRS chapter 431, article 14G. The Health Insurance Branch received 113 filings during the FY, resulting in consumer savings of more than \$27,610,193.

The Health Insurance Branch also conducts independent external reviews of managed care plan coverage decisions that are appealed by plan members pursuant to HRS chapter 431E. During the FY, it received 16 requests for external review, resulting in consumer savings of \$117,420.

REPORT OF THE INSURANCE COMMISSIONER OF HAWAII

In addition to issuing new licenses, the Insurance Licensing Branch also renews, reactivates, amends, and inactivates licenses, conducts background checks on all resident license applicants, records the creation and termination of appointments, facilitates the CE Advisory Committee meeting to approve or reject CE providers and courses, processes CE providers and course renewals, and maintains a database of CE credits completed by producers.

During the FY, the Insurance Licensing Branch issued 15,977 new licenses, reactivated 1,085 licenses, renewed 22,413 licenses, inactivated 1,279 licenses, non-renewed 11,392 licenses, created 67,641 new appointments, terminated 23,531 appointments, updated 9,843 addresses, created 2,129 agent reviews, activated 19 CE providers, inactivated 16 CE providers, activated 466 CE courses (232 life and health insurance, 234 property and casualty insurance), inactivated 621 CE courses (372 life and health insurance, 249 property and casualty insurance), and rejected 21 CE courses (17 life and health insurance, 4 property and casualty insurance). Producers completed 15,009 CE courses. The licensing and CE fees of \$7,596,935 were deposited into the Compliance Resolution Fund.

The Insurance Licensing Branch continues to expand its online offerings. Currently, via internet, the public can verify insurance licenses; licensees can download forms, update their contact information, and renew their licenses; producers may search for approved CE courses and check the balance of their CE credits; individuals and business entities may submit electronic initial license application for producers, limited lines producers, limited lines motor vehicle rental company producers, and surplus lines brokers' licenses. All active licensees may print their active insurance licenses online. Confirmation notices will be sent to the licensees electronically when changes are made and when licenses are ready to be printed online. The licenses can also be searched and viewed via mobile devices.

RATE AND POLICY ANALYSIS

The Rate and Policy Analysis Branch (RPA Branch) analyzes and approves or disapproves rate filings for casualty, property, motor vehicle, inland marine, surety, credit life and disability, long-term care, and Medicare supplement insurance. The RPA Branch also reviews policy form filings for workers' compensation, motor vehicle, credit life and disability, long-term care, Medicare supplement, temporary disability, and title insurance.

During the FY, 3,462 filings were reviewed. In FY 2017-2018, 3,314 filings were reviewed.

The RPA Branch utilizes the NAIC filing application known as the System for Electronic Rate and Form Filing (SERFF), a state-of-the-art system for filing submittal, document management, and review access. Since 2012, all insurers have been using SERFF and thereby eliminating the need for paper filings. In 2019, Hawaii moved toward greater transparency for life and health filings by enabling SERFF Filing Access (SFA), an online portal through which the public may view SERFF filings.

HRS chapter 431, article 30 permits Hawaii to join with other states to regulate designated insurance products through an interstate insurance product regulation compact (IIPRC), now known as the Compact. The Commission for the IIPRC became effective May 2006 with 26 member states. Bylaws and operating procedures have been adopted with input by members states, as well as product standards for life, annuity, disability income, and long-term care. Currently, 46 jurisdictions are members, 233 companies are registered, and 98 product standards have been developed. The number of products approved by the Compact in calendar year 2018 is 1,226.

LONG-TERM CARE INSURANCE: Pursuant to Act 233, SLH 2007, insurers transacting long-term care insurance business on or after January 1, 2008, are required to comply with new and amended disclosure standards and actuarial ratemaking standards. Over 50 insurers have rates and forms on file in Hawaii; however, the majority no longer actively sell long-term care insurance but continue to service existing policyholders.

MEDICARE SUPPLEMENT INSURANCE: Chapter 16-12, Hawaii Administrative Rules, was amended in the FY to comply with the Medicare Access and CHIP Reauthorization Act of 2015 (MACRA), which changed the available Medicare supplement plans for individuals who become newly eligible for Medicare on or after January 1, 2020. MACRA requires that Medicare supplement plans that cover the Medicare Part B deductible cannot be available to those who become newly eligible for Medicare on or after January 1, 2020. These changes are not expected to cause market disruption. In Hawaii, 14 licensed issuers of Medicare supplement insurance continue to provide a wide selection of plans, and no issuers have exited the market due to the administrative rule change.

MOTOR VEHICLE INSURANCE: Hawaii continues to see a robust motor vehicle insurance market. The RPA Branch encourages consumers to take interest and shop for the best rate by providing the Motor Vehicle Premium Publication as a guide. The publication is updated annually and posted on the Insurance Division's website at <http://cca.hawaii.gov/ins/resources/>.

HOMEOWNERS INSURANCE: Hawaii continues to see a robust homeowner's (and renter's and condominium) insurance market, except in highest-risk Lava Zones 1 and 2 due to lava events in 2014 and 2018. The RPA Branch issued the Homeowner's Premium Publication as a guide to consumers to take interest in and shop for the best rate. The publication is updated annually and posted on the Insurance Division's website at <http://cca.hawaii.gov/ins/resources/>.

REPORT OF THE INSURANCE COMMISSIONER OF HAWAII

CAPTIVE INSURANCE

The Captive Insurance Branch provides dedicated resources to help the Insurance Commissioner monitor, regulate, and develop captive insurance companies licensed under HRS chapter 431, article 19.

Since the enactment of Hawaii's enabling captive legislation in 1986, Hawaii has established an exceptional worldwide reputation in this complex, cutting-edge area of insurance and risk financing. Hawaii is considered to be the premier domicile in the Pacific. The State is ranked eighth in the world and fifth in the United States based on the number of active licenses.

Because of lower prices in the commercial insurance market and the rising number of states that have become captive domiciles, there is a competitive market for new captives. Lower prices in some sectors of the commercial insurance market have made captives relatively more expensive in the short term. With approximately 35 states competing to become home to captive insurers, new captive formations are being distributed among more states. Despite these obstacles, the Captive Insurance Branch issued eight new captive licenses in 2018, while seven captives closed through dissolution, mergers, or re-domestication. Although the number of captive licenses has not significantly increased, total gross written and assumed premiums and combined total assets have increased significantly from last year. During the 2018 calendar year, total gross written and assumed premiums exceeded \$10.0 billion, and combined total assets were approximately \$30.8 billion.

Hawaii has implemented several strategies to meet the challenges in this current environment, including providing more timely and relevant information to prospective and current captive organizers using internet and other digital technologies. Hawaii will maintain its prudent regulatory approach toward captives and continue to participate in developing national and international insurance standards. The Captive Insurance Branch will also review initiatives that provide potential opportunities for Hawaii's captive insurance industry.

Hawaii continues to attract captives from Fortune 500 companies in the United States and a growing number of Japan-based corporations that normally have few business contacts in the United States. These captives add millions of dollars in capital to Hawaii, a portion of which is managed by local Hawaii banks and financial institutions. Hawaii's captive industry requires specialized local professional services from the sectors of public accounting, legal, claims administration, and other insurance-related services. The Captive Insurance Branch will continue to work with the public and private sectors by providing educational expertise and resources to support the long-term development and refinement of this niche business in Hawaii.

The following is an aggregated summary of information about Hawaii's captive insurance industry as of December 31, 2018 and 2017, respectively:

REPORT OF THE INSURANCE COMMISSIONER OF HAWAII

FINANCIAL SURVEILLANCE AND EXAMINATION

The Financial Surveillance and Examination Branch conducts financial analyses and examines Hawaii-domiciled insurance companies, agencies, health maintenance organizations, and mutual benefit societies to confirm their financial condition, solvency, and compliance with applicable laws and regulations. To safeguard consumer interests and maintain the integrity of the insurance industry, the Financial Surveillance and Examination Branch also:

- Licenses more than 1,300 domestic, foreign, and alien insurers.
- Processes and collects more than \$180 million in premium tax and surplus lines tax on behalf of the General Fund and workers' compensation levies on behalf of the Department of Labor and Industrial Relations.
- Processes and administers tax credits claimed against insurance premium taxes.
- Authorizes and monitors accredited and trustee reinsurers.
- Registers purchasing groups and foreign risk retention groups.
- Regulates self-insurers.
- Maintains security deposits.
- Monitors market share and competitive standards of mergers and acquisitions.

The Insurance Division is subject to periodic review by the NAIC Financial Regulation Standards and Accreditation Program (FRSAP), which requires state insurance departments to regulate domestic insurers' corporate and financial affairs. The Financial Surveillance and Examination Branch introduces legislation and administrative rules to ensure that the Insurance Division has adequate statutory and administrative authority and the resources necessary to satisfy its regulatory obligation. An independent FRSAP review team conducts a comprehensive review of all accredited state insurance departments at least once every five years to ensure their compliance with NAIC standards. First accredited by the FRSAP in 1996, the Insurance Division has been re-accredited in 2001, 2006, 2011, and 2016.
