
A BILL FOR AN ACT

RELATING TO THE WAIANAЕ COAST COMPREHENSIVE HEALTH CENTER.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that adolescent health
2 and wellness are of particular importance, as chronic physical
3 and behavioral health problems in adolescents have a high
4 probability of affecting academic performance. The legislature
5 also finds that school-based health centers provide students
6 with a full scope of services, including but not limited to
7 school and sports physical exams, urgent primary care,
8 behavioral health services, and health education. Accordingly,
9 the legislature believes that school-based health centers are an
10 ideal way to provide students in the State with comprehensive
11 adolescent health services.

12 The legislature recognizes that the Waianae Coast
13 Comprehensive Health Center has served the residents of the
14 Waianae coast since 1972 and has been providing school-based
15 health centers to intermediate and high school students in the
16 area since 2015. The legislature further recognizes that of the
17 health center's nearly seven thousand encounters with Waianae

1 high school and Waianae intermediate school students since 2015,
2 ninety-seven per cent of these encounters have resulted in the
3 student's immediate return to class. The legislature notes that
4 the Waianae Coast Comprehensive Health Center opened a school-
5 based health center at Nanakuli high and intermediate school on
6 August 6, 2018.

7 Accordingly, the purpose of this Act is to appropriate
8 moneys to the Waianae Coast Comprehensive Health Center to
9 continue operations of its school-based health center located at
10 Nanakuli high and intermediate school.

11 SECTION 2. There is appropriated out of the general
12 revenues of the State of Hawaii the sum of \$ or so
13 much thereof as may be necessary for fiscal year 2019-2020 and
14 the same sum or so much thereof as may be necessary for fiscal
15 year 2020-2021 for the continued operation of the Waianae Coast
16 Comprehensive Health Center's school-based health center located
17 at Nanakuli high and intermediate school, to be expended as
18 follows:

- 19 (1) Hiring full-time equivalent (FTE) advanced
20 practice registered nurse position; and

1 (2) For various infrastructure improvements, including
2 wi-fi connectivity and the purchase and maintenance of
3 small equipment.

4 The sums appropriated shall be expended by the department
5 of health through a contract awarded pursuant to chapter 103F,
6 Hawaii Revised Statutes, for the purposes of this Act.

7 SECTION 3. This Act shall take effect on July 1, 2050.

Report Title:
