## A BILL FOR AN ACT

RELATING TO THE IGNITION INTERLOCK PROGRAM.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. Chapter 291E, Hawaii Revised Statutes, is  
2 amended by adding a new section to be appropriately designated  
3 and to read as follows:

4           "§291E-           Ignition interlock device; negative reports.

5           (a) Notwithstanding any provision of this chapter to the  
6 contrary, the requirement to have an ignition interlock device  
7 installed in a vehicle shall continue until the person submits  
8 to the director and the director of transportation a certificate  
9 from the ignition interlock vendor stating that the device did  
10 not record a negative report during the last ninety consecutive  
11 days of the required installation period. The director shall  
12 release the person from the ignition interlock device  
13 requirement as soon as practicable after the director receives  
14 the certificate.

15           (b) If a negative report is recorded during the last  
16 ninety consecutive days, the person shall continue to use an  
17 ignition interlock device until the person submits to the

1 director and the director of transportation a certificate from  
 2 the ignition interlock vendor stating that the device has not  
 3 recorded a negative report for ninety consecutive days,  
 4 beginning on the date of the most recent negative report.

5 (c) The requirements of subsection (b) shall be in  
 6 addition to any penalty required for a violation of section  
 7 291E-66.

8 (d) As used in this section, "negative report" includes a  
 9 report of tampering with an ignition interlock device,  
 10 unauthorized removal of an ignition interlock device, lockout,  
 11 or a test violation recorded by an ignition interlock device."

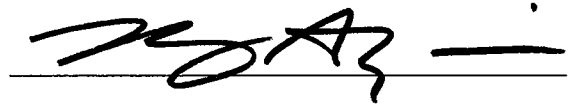

12 SECTION 2. This Act does not affect rights and duties that  
 13 matured, penalties that were incurred, and proceedings that were  
 14 begun before its effective date.

15 SECTION 3. New statutory material is underscored.

16 SECTION 4. This Act shall take effect upon its approval.

17

INTRODUCED BY:

JAN 16 2020

# H.B. NO. 1814

**Report Title:**

Ignition Interlock; Operating a Vehicle under the Influence of an Intoxicant; Negative Reports

**Description:**

Requires that an ignition interlock device not have recorded a negative report for ninety consecutive days before it can be removed.
