
A BILL FOR AN ACT

RELATING TO EDUCATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that Hawaii left
2 \$10,000,000 in unclaimed federal Pell Grants on the table in
3 2018; enough to send roughly 2,500 students to a University of
4 Hawaii community college tuition-free. Nationally, nearly
5 \$2,600,000,000 in federal financial aid for higher education
6 went unused by high school graduates from the class of 2018 who
7 were eligible for a federal Pell Grant but did not complete the
8 Free Application for Federal Student Aid (FAFSA). When students
9 do not apply for FAFSA, many may revert to private student
10 loans, which often have high interest rates and lack the
11 consumer protections that federal student loans include.

12 The legislature further finds that in 2016, the State of
13 Louisiana began requiring students to fill out FAFSA because
14 more than half of high school seniors were not completing the
15 paperwork for FAFSA. Louisiana is now ranked first in the
16 nation for FAFSA completion, at eighty-two per cent completion.
17 Other states and districts, including California, Illinois,

1 Indiana, Texas, and Washington, D.C., have either passed or
2 considered a FAFSA completion requirement for school. In
3 Hawaii, the department of education has set a goal to have
4 ninety per cent of high school seniors complete FAFSA in the
5 2020 school year, although completion rates in the recent years
6 have remained closer to sixty per cent.

7 The purpose of this Act is to establish a working group to
8 create a state plan to make FAFSA completion or an opt-out
9 waiver for FAFSA completion a statewide graduation requirement
10 by the 2022-2023 school year.

11 SECTION 2. (a) There is established within the department
12 of education for administrative purposes a working group to
13 create a state plan to make FAFSA completion or an opt-out
14 waiver for FAFSA completion a statewide graduation requirement
15 by the 2022-2023 school year.

16 (b) The working group shall comprise the following
17 members:

21 of education's website.

1 (f) The department of education shall be responsible for
2 the administrative responsibilities of the working group,
3 including but not limited to preparing agendas and minutes,
4 organizing meetings, and reporting on the outcome and
5 recommendations of the working group.

6 (g) The working group shall submit a report of its
7 findings and recommendations to the legislature, the
8 superintendent of education, and all complex area
9 superintendents no later than twenty days prior to the convening
10 of the regular session of 2021.

11 SECTION 3. There is appropriated out of the general
12 revenues of the State of Hawaii the sum of \$ or so
13 much thereof as may be necessary for fiscal year 2020-2021 for
14 any expenses incurred by the working group established pursuant
15 to this Act.
