
A BILL FOR AN ACT

RELATING TO RETIREMENT SAVINGS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that there is an imminent
2 retirement security crisis in the State, as many individuals do
3 not have access to an employer-sponsored retirement plan.
4 Individuals without a retirement plan are at significant risk of
5 not having enough retirement income to meet basic expenses
6 during retirement. A retirement savings plan can help employees
7 achieve financial security, improve economic mobility, and
8 reduce wealth disparity.

9 In 2017, Oregon was the first state to implement a
10 retirement savings plan that covers private sector workers who
11 do not otherwise have access to a savings plan provided by their
12 employer. Other states have adopted similar programs, including
13 California, Connecticut, Illinois, Maryland, Massachusetts, New
14 Jersey, and Vermont.

15 The legislature also finds that individuals need a lifelong
16 savings system that provides them with the opportunity to build
17 their assets and attain future financial stability. Providing

1 private sector employees with access to employer-sponsored
2 retirement plans is a reliable way to promote savings needed for
3 a secure retirement, improve employees' financial security, and
4 reduce wealth disparity in society.

5 The legislature further finds that approximately fifty per
6 cent of the State's private sector employees work for an
7 employer that does not offer a retirement plan or are not
8 eligible for the plan offered. The lack of opportunity to
9 participate in an employer-provided retirement plan spans all
10 levels of education and earnings. An employee who is offered
11 the opportunity to save through the employee's place of
12 employment is significantly more likely to participate and make
13 steady contributions to build retirement savings.

14 The purpose of this Act is to establish a retirement
15 savings task force to secure a consultant to:

- 16 (1) Assess the feasibility of establishing a Hawaii
17 retirement savings program and the viability of
18 current state retirement savings programs in other
19 states;
- 20 (2) Determine the feasibility of joining a multi-state,
21 state-facilitated retirement savings program;

1 (3) Research the implications of the federal SECURE Act,
2 enacted on December 20, 2019;

3 (4) Draft an implementation plan for a retirement savings
4 program; provided that the task force determines that
5 a retirement savings program is feasible; and

6 (5) Submit to the legislature a report of findings and
7 recommendations, including any proposed legislation,
8 to implement the plan.

9 SECTION 2. (a) There is established a retirement savings
10 task force to secure a consultant to:

20 program; provided that the task force determines that

- 12 (5) One individual to represent small businesses, who

19 house of representatives;

8 individual retirement account plan, or other similar
9 retirement plan, who shall be selected by the
10 president of the senate.

12 third party to conduct the activities identified in section 2(a)
13 of this Act. The contracting of services pursuant to this Act
14 shall be exempt from chapter 103D, Hawaii Revised Statutes.

16 2(b) (5), (6), (7), (8), (9), or (11), nor any entity for which
17 they are employed, shall bid on any potential contract arising

- 19 (e) The task force shall submit to the legislature a
20 report of its findings and recommendations, including any

1 proposed legislation, no later than forty days prior to the
2 convening of the regular session of 2021.

3 (f) The task force shall cease to exist on June 30, 2021.

4 SECTION 3. There is appropriated out of the general
5 revenues of the State of Hawaii the sum of \$ or so
6 much thereof as may be necessary for fiscal year 2020-2021 to
7 retain a consultant to conduct the activities identified in
8 section 2(a) of this Act and pay for associated expenses,
9 including \$ for full-time equivalent
10 (FTE) position to manage the retirement savings

12 The sum appropriated shall be expended by the department of

14 SECTION 4. This Act shall take effect on January 1, 2050.
