DEPARTMENT: Defense

TITLE: A BILL FOR AN ACT RELATING TO LICENSING.

PURPOSE: To allow a person who: is married to an active duty member in the military; accompanies his or her spouse on a permanent change of station to Hawaii; and holds a current, unencumbered license in another jurisdiction in specific professions to apply for licensure on an expedited basis in the State of Hawaii.

MEANS: Amend section 436B-14.7, Hawaii Revised Statutes (HRS).

JUSTIFICATION: Section 436B-14.7, HRS, currently provides a streamlined pathway for professional licensure of military spouses, provided the licensure requirements of the spouse's home jurisdiction are equivalent to or exceed those of the State. This bill would remove this equivalency requirement for those enumerated professions whose requirements for licensure are based on relatively uniform national standards. In doing so, this bill would further streamline the licensing process, while still ensuring that the applicant is not subject to discipline in another jurisdiction and agrees to be subject to the jurisdiction of the licensing authority of the State. Presently, most military spouses who accompany their armed service members on a permanent change of station to Hawaii must apply for licensure through a license reciprocity process that mandates license

equivalency, which may be problematic for applicants depending upon their home jurisdiction. The proposed amendment streamlines the processing of a military spouse application to practice his or her profession or vocation in the State.
