12 land conservation fund for the acquisition of the Na Wai Eha
13 watershed in Wailuku, Maui, to protect its scenic,
14 environmental, and cultural value.

15 SECTION 2. There is appropriated out of the land
16 conservation fund the sum of \$ or so much thereof as
17 may be necessary for fiscal year 2020-2021 for the land

1 acquisition of eleven thousand twenty acres of the Na Wai Eha
2 watershed in Wailuku, Maui; provided that no funds shall be made
3 available under this Act unless the county of Maui provides
4 matching funds of at least \$ for the purpose for which
5 this sum is appropriated. This project is deemed necessary to
6 qualify for federal aid financing and/or reimbursement. The sum
7 appropriated is anticipated to be supplemented by federal funds.

8 The sum appropriated shall be expended by the department of
9 land and natural resources for the purposes of this Act.

10 SECTION 3. The appropriation made in section 2 of this Act
11 shall not lapse at the end of the fiscal year for which the
