
A BILL FOR AN ACT

RELATING TO WORKFORCE DEVELOPMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that YouthBuild is a
2 federal workforce development program that provides employment,
3 education, leadership development, and training opportunities to
4 disadvantaged and low-income youth between the ages of sixteen
5 and twenty-four, most of whom are secondary school dropouts and
6 are either a member of a low-income family, or a foster care
7 youth, youth offender, youth with a disability, child of an
8 incarcerated parent, or migrant youth.

9 The United States Department of Labor administers the
10 YouthBuild program, which in 2019 awarded sixty-seven grants
11 totaling \$85,000,000 to support and expand YouthBuild programs
12 across the United States. Program participants receive
13 education services that may lead to either a high school diploma
14 or general educational development. Participants also receive
15 occupational skills training and are encouraged to pursue a
16 post-secondary education or additional training, including
17 registered apprenticeship programs. The program is designed to

1 create a skilled workforce in the construction industry, through
2 rehabilitation and construction of housing for homeless
3 individuals and families and low-income families, as well as
