
A BILL FOR AN ACT

RELATING TO CONSTRUCTION WASTE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that it is desirable to
2 enhance the quality of the natural environment by implementing
3 sound practices that reduce negative impacts from building and
4 development projects. Sustainable construction practices reduce
5 the collective environmental impacts of the construction
6 process, the production of building materials, and the operation
7 and maintenance of the building throughout its lifespan.
8 Sustainable practices emphasize the preservation of natural
9 resources and the efficient use of construction materials.

10 The purpose of this Act is to require the department of
11 health to convene a construction waste reuse and recycling
12 working group to develop recommendations on how to implement a
13 requirement for the reuse, recycling, or donation of
14 construction waste.

15 SECTION 2. (a) The department of health shall convene a
16 construction waste reuse and recycling working group, a task

1 force, to determine how to implement a requirement for the
2 reuse, recycling, or donation of construction waste.

3 (b) The working group shall consist of the following
4 members:

- 5 (1) The director of health, or the director's designee,
6 who shall serve as the chair;
- 7 (2) The comptroller, or the comptroller's designee;
- 8 (3) A representative from the environmental service agency
9 of each county, to be appointed by the mayor of the
10 county in which the agency is located;
- 11 (4) A building industry representative, to be appointed by
12 the senate president;
- 13 (5) A representative of a non-governmental organization in
14 the reuse and recycling industry, to be appointed by
15 the speaker of the house of representatives;
- 16 (6) The president of the Chamber of Commerce Hawaii, or
17 the president's designee; and
- 18 (7) A member of the state building code council to be
19 appointed by the members of the council.

1 (c) Members of the working group shall serve without
2 compensation but may be reimbursed for expenses, including
3 travel expenses, necessary for the performance of their duties.

4 (d) The working group shall submit an interim report of
5 its progress to the legislature no later than twenty days prior
6 to the regular session of 2020, and a final report of its
7 findings and recommendations, including any proposed
8 legislation, to the legislature no later than twenty days prior
9 to the regular session of 2021.

10 (e) The working group shall cease to exist on June 30,
11 2021.

12 SECTION 3. This Act shall take effect on July 1, 2100.

Report Title:

Construction Waste; Recycling; Working Group

Description:

Requires the Department of Health to convene a construction waste reuse and recycling working group to determine how to implement a requirement for the reuse, recycling, or donation of construction waste. (HB562 HD1)
