# A BILL FOR AN ACT

RELATING TO PROTECTIVE ORDERS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that promoting the safety  
2 of persons granted long-term protective orders is inherent in  
3 the objective of the orders. The legislature further finds that  
4 the current method by which protected individuals can prove the  
5 existence of an order is cumbersome. Protected individuals,  
6 including young minors, need to carry the nine-page documents at  
7 all times. Doing so is not only inconvenient, but may quickly  
8 render the order illegible due to wear and tear.

9           The legislature believes that a better alternative has been  
10 implemented in other states: the option to carry an  
11 identification card the size of a driver's license that provides  
12 all the information needed for law enforcement agencies to  
13 verify a long-term protective order's existence. The  
14 legislature finds that these types of cards, known as "hope  
15 cards", are durable, waterproof, and easily portable. The  
16 cards' functionality serves to increase the safety of the

1 persons protected by these orders by making it easy to carry  
2 proof of protection on a daily basis.

3       The Hawaii hope card program shall be responsible for  
4 issuing hope cards to grantees of a long-term protective order,  
5 at a grantee's request, for the purpose of allowing law  
6 enforcement agencies to quickly verify the existence of, and  
7 more easily obtain information on, the long-term protective  
8 order. It is the legislature's intent that hope cards provide a  
9 more convenient method by which protected individuals can prove  
10 that a protective order is in place. The legislature does not  
11 intend that the cards replace the original protective orders  
12 granted by the court.

13       Accordingly, the purpose of this Act is to establish a  
14 Hawaii hope card program within the department of the attorney  
15 general.

16       SECTION 2. Chapter 28, Hawaii Revised Statutes, is amended  
17 by adding a new part to be appropriately designated and to read  
18 as follows:

1 "PART . HAWAII HOPE CARD PROGRAM

2 §28- Hawaii hope card program. (a) There is  
3 established within the department of the attorney general the

7 the department of the attorney general on a form prescribed by  
8 the department. After verifying the validity of the long-term  
9 protective order upon which the application is based, the  
10 department of the attorney general shall issue a hope card to  
11 the applicant; provided that duplicate hope cards may be issued  
12 to an applicant upon request as necessary, including in the  
13 following situations:

5 person to be restrained by the long-term protective order, if  
6 available and confirmed by the court issuing the long-term  
7 protective order; and contain essential information if provided  
8 within the long-term protective order, including:

2 individuals who are also covered by the long-term  
3 protective order.

4 (d) Hope cards and duplicates shall be issued at no charge  
5 to applicants.

6 (e) For the purposes of this part, "long-term protective  
7 order" means a protective order that is to remain in effect for  
8 a period of more than ninety days under section 604-10.5, or for  
9 a period of more than one hundred eighty days under chapter 586.

10 **§28- Access to Hawaii hope card program information;**

11 **verification.** (a) The Hawaii hope card program shall notify  
12 the Hawaii criminal justice data center when a hope card has  
13 been issued regarding a protective order. This information

15 verify the validity of the hope card or its underlying  
16 protective order.

17 (b) Access authorized by this section may be provided in  
18 coordination with the Hawaii criminal justice data center  
19 established under chapter 846.

2 applicant or program participant shall knowingly provide false  
3 information on an application.

6           **§28- Rulemaking authority.** The attorney general shall  
7 adopt rules pursuant to chapter 91 as necessary to carry out the  
8 purposes of this part."

9           SECTION 3. There is appropriated out of the general  
10 revenues of the State of Hawaii the sum of \$                    or so  
11 much thereof as may be necessary for fiscal year 2020-2021 for
