
A BILL FOR AN ACT

RELATING TO THE NA WAI EHA WATERSHED.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the Na Wai Eha
2 watershed in Wailuku, Maui, provides significant ecological,
3 cultural, and hydrological value to the island of Maui. It is
4 composed of native koa, ohia, and lama forests and includes
5 hidden valleys and mountains reaching five thousand feet. It
6 serves as the habitat for over forty-five endangered species and
7 is the principal source of Maui's drinking water. Nearly nine
8 thousand acres of this critical watershed is up for sale,
9 providing a rare opportunity to preserve this enormous section
10 of the West Maui mountains in perpetuity for public recreation
11 and benefit.

12 The purpose of this Act is to appropriate funds from the
13 land conservation fund for the acquisition of a portion of the
14 Na Wai Eha watershed in Wailuku, Maui, to protect its scenic,
15 environmental, and cultural value.

16 SECTION 2. There is appropriated out of the land
17 conservation fund the sum of \$ or so much thereof as

1 may be necessary for fiscal year 2020-2021 for the land
2 acquisition of 8,898.7 acres of the Na Wai Eha watershed in
3 Wailuku, Maui; provided that no funds shall be made available
4 under this Act unless the county of Maui provides matching funds
5 of at least \$ for the purpose for which this sum is
6 appropriated or for the purchase of the associated water systems
7 and easements offered by the seller. This project is deemed
8 necessary to qualify for federal aid financing and
9 reimbursement. The sum appropriated is anticipated to be
10 supplemented by federal funds.

11 The sum appropriated shall be expended by the department of
12 land and natural resources for the purposes of this Act.

13 SECTION 3. The appropriation made in section 2 of this Act
14 shall not lapse at the end of the fiscal year for which the
15 appropriation is made; provided that all moneys from the
16 appropriation that are unencumbered as of June 30, 2022, shall
17 lapse as of that date.

18 SECTION 4. This Act shall take effect on July 1, 2051.

Report Title:

Land Conservation Fund; DLNR; Maui County; Matching Funds;
