

1 safety standards, the department of agriculture has found it
2 necessary to support the growth of diversified agriculture by
3 encouraging agricultural enterprises on the department of
4 agriculture's lands. The department of agriculture encourages
5 activities including the planning, design, construction,
6 operation, and management of agricultural enterprises to ensure
7 the economic viability of agricultural operations, and allows
8 lessees to do the same. Therefore, the legislature finds that
9 it is in the State's best interests and helps meet state
10 constitutional requirements to promote and support diversified
11 agriculture and increase agricultural self-sufficiency by
12 establishing an agricultural enterprise program within the
13 department of agriculture.

14 Accordingly, the purpose of this chapter is to authorize
15 the department of agriculture or its lessees to plan, design,
16 construct, operate, manage, maintain, repair, demolish, and
17 remove infrastructure or improvements on any lands over which
18 the department has jurisdiction where the activity is necessary
19 to support and promote agriculture; to accept from the
20 department of land and natural resources the transfer of any

- 20 shall be subject to the approval of the board,
- 21 reasonable terms and conditions consistent with this

1 chapter, and rules adopted pursuant to this chapter.
2 No transfer shall be approved by the board if the
3 disposition of the stock or assets or other interest
4 of the applicant would result in the failure of the
5 person to qualify for an agricultural enterprise
6 lease.

7 (c) A violation of any provision in this section shall be
8 cause for the board to cancel the lease and take possession of
9 the land, or take other action as the board, in its sole
10 discretion, deems appropriate; provided that the board shall
11 provide notice to the lessee of the violation in accordance with
12 rules adopted pursuant to section -7.

13 (d) The board may issue easements, licenses, permits, and

11 for any lease that is subject to a security interest held by an
12 institutional lender who has given to the board a copy of the
13 encumbrance as recorded in the bureau of conveyances:

15 monetary lease term or condition, or if the lease is
16 deemed terminated or rejected under bankruptcy laws,
17 the institutional lender shall be entitled to issuance
18 of a new lease in its name for a term equal to the
19 term of the lease remaining immediately prior to the

- 17 (c) Ownership of both the lease and the security interest
18 by an institutional lender shall not effect or cause a merger
