JUSTIFICATION SHEET

DEPARTMENT: Accounting and General Services/Stadium Authority

TITLE: A BILL FOR AN ACT RELATING TO MAKING AN EMERGENCY APPROPRIATION TO THE STADIUM AUTHORITY.

PURPOSE: To make an emergency appropriation to increase the special fund ceiling for the Stadium Authority to address unbudgeted/unexpected expenses related to conducting an engineering structural assessment, funds to address the design portion of the prioritized repair items(s), and repair and maintenance of the facility, as well as various unbudgeted operating items required to continue to operate the stadium facility in a safe, efficient, and compliant manner.

MEANS: Not applicable.

JUSTIFICATION: The increase in special fund ceiling will provide the Stadium Authority with the ability to address the aforementioned unbudgeted items that are necessary to ensure a structurally safe facility, including an annual (revised from biennial) structural assessment report to monitor and ensure that the stadium facility continues to remain structurally safe; project-design money to expeditiously initiate work on areas identified as requiring timely repair and maintenance; and prior year special fund assessment carried over into current year due to the increase in revenue generated from major entertainment events in prior fiscal year. Ceiling is also required to address unbudgeted contracts, one of which seeks to increase special duty law enforcement participation at events, as well as address unbudgeted operating expenses necessary for the Authority to operate in an

efficient and effective manner (safe operating golf carts, FCC frequency-compliant field microphone equipment, perimeter field padding, sani-toilet rentals, etc.)

Impact on the public: This bill provides the ceiling required to address the essential items required to monitor, assess, and identify areas where repair and maintenance of the facility may be required, allow for project-design, as well as provide funds to support a contract that will increase law enforcement participation to provide a safe facility for the general public.

Impact on the department and other agencies: No impact on the department and other agencies.

GENERAL FUND: None.

OTHER FUNDS: Special Funds.

PPBS PROGRAM
DESIGNATION: AGS 889.
