# A BILL FOR AN ACT

RELATING TO STATE CAPITOL TOURS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the Hawaii state  
2 capitol is a public building rich with history and significance.  
3 Completed in 1969, the capitol building was designed as a modern  
4 and functional place of democracy imbued with deep meaning,  
5 beauty, and dignity. Meant to recall the birth of the islands  
6 from the sea, the unique design of the building offers insight  
7 into the State's singular history, shared values, and public  
8 priorities.

9           The legislature also finds that maintaining accessibility  
10 to the capitol building and its history for Hawaii's residents,  
11 students, and visitors is a meaningful public service that  
12 provides visitors to the building with a profound appreciation  
13 for the State and the democratic process. The establishment of  
14 a state capitol tour program would greatly enhance this service.

15           The office of the governor of the state of Hawaii  
16 previously coordinated and conducted tours of the capitol.  
17 However, the position in the governor's office responsible for

1 these tours has been vacant for several years. Although there  
2 are options for visitors to take virtual or self-guided tours,  
3 it would be beneficial to have permanent staff tasked with  
4 coordinating and conducting guided tours and providing  
5 information about the state capitol for visitors and school  
6 groups. Additionally, the inclusion of volunteer docents,  
7 similar to those in place at the Iolani Palace, Honolulu Zoo,  
8 and Waikiki Aquarium would be helpful in supporting a state  
9 capitol tour program.

10 The purpose of this Act is to require the governor to  
11 administer and facilitate a state capitol tour program,  
12 utilizing volunteer docents, to conduct walking tours of the  
13 state capitol building.

14 SECTION 2. The governor of the state of Hawaii shall  
15 administer and facilitate a state capitol tour program for  
16 walking tours and dissemination of information regarding the  
17 Hawaii state capitol building. The program shall consist of  
18 tours, conducted by unpaid volunteer docents, throughout areas  
19 of the building and grounds that can safely accommodate tour-  
20 goers.

# S.B. NO. 3131

1 SECTION 3. There is appropriated out of the general  
 2 revenues of the State of Hawaii the sum of \$ or so  
 3 much thereof as may be necessary for fiscal year 2020-2021 for  
 4 costs to administer and facilitate the state capitol tour  
 5 program pursuant to this Act.

6 The sum appropriated shall be expended by the office of the  
 7 governor for the purposes of this Act.

8 SECTION 4. This Act shall take effect on July 1, 2020.
