## A BILL FOR AN ACT

MAKING AN APPROPRIATION TO THE DEPARTMENT OF THE TRANSPORTATION  
TO REPLACE JERSEY BARRIERS FRONTING THE DEPARTMENT OF  
TRANSPORTATION HARBORS DIVISION BUILDING ON SOUTH NIMITZ  
HIGHWAY.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that after the attacks of  
2           September 11, 2001, jersey barriers were placed on the Nimitz  
3           highway side of the department of transportation harbors  
4           division offices as a security precaution. The barriers were  
5           later painted green, which improved their appearance, but they  
6           remain unsightly.

7           The legislature further finds that the department of  
8           transportation harbors division has identified aesthetic  
9           alternatives to the existing precast jersey barriers fronting  
10          the harbors division offices that meet Federal Highway  
11          Administration requirements for longitudinal barrier  
12          installations on the National Highway System as well as  
13          compliance with crash test criteria embodied in the National  
14          Cooperative Highway Research Program 350.

# S.B. NO. 563

**Report Title:**

Department of Transportation; Highways Division; Jersey Barriers; Replacement; Appropriation

**Description:**

Appropriates \$192,000 to the Department of Transportation to replace jersey barriers fronting the Harbors Division building on South Nimitz Highway.
