

MAR 03 2020

SENATE CONCURRENT RESOLUTION

REQUESTING THAT THE CITY AND COUNTY OF HONOLULU PROHIBIT
ELECTRIC SCOOTERS, ELECTRIC BICYCLES, AND ELECTRIC TRIKES
ON SIDEWALKS.

1 WHEREAS, electric scooters, electric bicycles, and three-
2 wheeled electric trikes have become widely available for
3 personal transportation and very popular with commercial tour
4 operators and are often ridden on Oahu's sidewalks where they
5 mix with pedestrians and motorists; and
6

7 WHEREAS, while electric scooters, electric bicycles, and
8 electric trikes are convenient, affordable, and more
9 environmentally-friendly than automobiles, they are a safety
10 hazard when ridden on sidewalks; and
11

12 WHEREAS, electric scooters, electric bicycles, and electric
13 trikes can weigh more than forty pounds and can be upgraded with
14 additional motors that allow the devices to reach speeds of
15 eighteen miles per hour, which is nearly six times faster than
16 the average walking speed of a person; and
17

18 WHEREAS, electric scooters, electric bicycles, and electric
19 trikes can seriously injure or kill pedestrians in a collision
20 and operators of these devices are at risk from motorists who do
21 not expect a small, quiet, and fast-moving motorized device to
22 appear in pedestrian rights-of-way; and
23

24 WHEREAS, in 2003, the Legislature passed Act 180, which
25 defines an "electric personal assistive mobility device" as a
26 self-balancing, two-wheeled, non-tandem-wheeled device, designed
27 to transport only one person, using an electric propulsion
28 system that limits the maximum speed of the device to twelve and
29 one-half miles per hour or less; and
30

31 WHEREAS, Act 180 states that unless otherwise prohibited or
32 regulated by a county ordinance, electric personal assistive

1 mobility devices may be operated on sidewalks at a speed no
2 greater than eight miles per hour and on bicycle paths in the
3 State; and

4
5 WHEREAS, many electric scooters and electric bicycles are
6 allowed on sidewalks and bike paths as electric personal
7 assistive mobility devices in the absence of county regulations
8 and, although three-wheeled electric trikes do not necessarily
9 fall within this definition, they are frequently used by
10 individuals and tour operators on pedestrian paths; and

11
12 WHEREAS, within the past several years, pedestrians and
13 motorists have expressed safety concerns to policymakers about
14 the increasing number of individuals and tour operators riding
15 electric scooters, electric bicycles, and electric trikes on
16 sidewalks and bike paths; and

17
18 WHEREAS, because of safety risks to pedestrians, motorists,
19 and operators of electric scooters, electric bicycles, and
20 electric trikes, these devices should be prohibited on sidewalks
21 and bike paths; and

22
23 WHEREAS, electric scooters, electric bicycles, and electric
24 trikes should be categorized as "mopeds" under the Hawaii
25 Revised Statutes and "motorized devices" under the Revised
26 Ordinances of Honolulu, as both definitions prohibit operation
27 of these devices on sidewalks; and

28
29 WHEREAS, policymakers must balance the advantages of
30 useful, emerging mobility device technology with public safety,
31 particularly in crowded transportation environments such as
32 Oahu's business districts and urban core; now, therefore,

33
34 BE IT RESOLVED by the Senate of the Thirtieth Legislature
35 of the State of Hawaii, Regular Session of 2020, the House of
36 Representatives concurring, that the City and County of
37 Honolulu, Honolulu Police Department, Honolulu Department of
38 Transportation Services, and state Department of Transportation
39 are requested to work with the Honolulu City Council to prohibit
40 the operation of electric scooters, electric bicycles, and
41 electric trikes on sidewalks through county-level ordinances;
42 and

S.C.R. NO. 68

1
 2 BE IT FURTHER RESOLVED that the stakeholders and
 3 policymakers are encouraged to include electric scooters,
 4 electric bicycles, and electric trikes under the existing
 5 definition of "motorized devices" pursuant to the Revised
 6 Ordinances of Honolulu and to prohibit operation of these
 7 devices on sidewalks and bike paths; and
 8

9 BE IT FURTHER RESOLVED that the Honolulu Department of
 10 Transportation Services is requested to submit a report of
 11 findings and recommendations for regulation of electric
 12 scooters, electric bicycles, and electric trikes, including any
 13 proposed legislation, to the Legislature no later than twenty
 14 days prior to the convening of the Regular Session of 2021; and
 15

16 BE IT FURTHER RESOLVED that certified copies of this
 17 Concurrent Resolution be transmitted to the Director of
 18 Transportation, Mayor of the City and County of Honolulu, Chair
 19 of the Honolulu City Council, Chief of the Honolulu Police
 20 Department, and Director of Transportation Services.
