SENATE RESOLUTION

REQUESTING THE LEGISLATIVE REFERENCE BUREAU TO CONDUCT A STUDY
OF THE IMPACT OF THE MILITARY ON HAWAII'S ECONOMY.

1 WHEREAS, the military's presence in Hawaii has a
2 significant impact on the State's economy; and

3
4 WHEREAS, according to the United States Department of
5 Defense, over forty-two thousand active duty military personnel
6 are assigned to Hawaii as of September 2019; and

7
8 WHEREAS, the Department of Education estimates that Hawaii
9 hosts over three hundred thousand military personnel and their
10 families, who contribute to consumer spending and use the
11 State's education, housing, and natural resources; and

12
13 WHEREAS, according to the Department of Education,
14 approximately fourteen thousand military dependents attend
15 public schools, which represents roughly eight percent of the
16 State's total student enrollment; and

17
18 WHEREAS, military personnel stationed in Hawaii often
19 require additional housing near military installments; and

20
21 WHEREAS, consistent with the holding in Clarence Ching, et
22 al. v. Suzanne Case, et al., 145 Hawaii 148 (2019), military
23 operations on leased public trust lands require environmental
24 oversight by the State, which in turn requires the appropriation
25 of additional public funds; and

26
27 WHEREAS, understanding the amount of revenue generated by
28 military spending in Hawaii, the cost of environmental oversight
29 obligations for lands leased for military use, and the extent of
30 State support afforded to military personnel will help the
31 Legislature in crafting fiscal policy that safeguards the public
32 trust and advances the common good; now, therefore,

S.R. NO. 11

1 BE IT RESOLVED by the Senate of the Thirtieth Legislature
 2 of the State of Hawaii, Regular Session of 2020, that the
 3 Legislative Reference Bureau is requested to conduct a study of
 4 the impact of the military on Hawaii's economy; and

5
 6 BE IT FURTHER RESOLVED that the study is requested to
 7 include an evaluation of the military's impact on:

- 8
 9 (1) Funding for public education, including the extent to
 10 which federal impact aid reimbursements received by
 11 the Department of Education fulfill the expenditures
 12 required to meet the educational needs of federally
 13 connected students;
 14
 15 (2) Hawaii's housing supply, including the availability
 16 and cost of housing for sale and rent in communities
 17 located near military installations;
 18
 19 (3) Land use and environmental considerations, including
 20 the cost to the State of monitoring, inspecting, and
 21 restoring lands leased by the military to preserve
 22 trust lands; and
 23
 24 (4) Consumer spending by military personnel and their
 25 families; and
 26

27 BE IT FURTHER RESOLVED that the Legislative Reference
 28 Bureau is requested to submit a report of its findings and
 29 recommendations, including any proposed legislation, to the
 30 Legislature no later than twenty days prior to the convening of
 31 the Regular Session of 2021; and
 32

33 BE IT FURTHER RESOLVED that certified copies of this
 34 Resolution be transmitted to the Director of the Legislative
 35 Reference Bureau; Director of Business, Economic Development,
 36 and Tourism; Chairperson of the Board of Land and Natural
 37 Resources; Superintendent of Education; and Chief Executive
 38 Officer of the Office of Hawaiian Affairs.
