RE: H.B. No. 2506
H.D. 1

Honorable Scott K. Saiki
Speaker, House of Representatives
Thirtieth State Legislature
Regular Session of 2020
State of Hawaii

Sir:

Your Committee on Health, to which was referred H.B. No. 2506
entitled:

"A BILL FOR AN ACT RELATING TO VITAL STATISTICS,"

begs leave to report as follows:

The purpose of this measure is to require the Department of
Health to issue a certificate of stillbirth, upon request of the
parent or parents named on a fetal death certificate issued in the
case of a stillbirth.

Your Committee received testimony in support of this measure
from the Association of Hawaiian Civic Clubs; Papa Ola Lokahi;
Moku o Manokalanipo, The Kauai Council of the Association of
Hawaiian Civic Clubs; Ke One O Kakuheua, Oahu Council for the
Association of Hawaiian Civic Clubs; and numerous individuals.
Your Committee received comments on this measure from the
Department of Health.

Your Committee finds that, according to testimony by the
Department of Health, the Department will be able to implement
this measure if the measure contains an appropriation amount of
\$100,000. This amount would be needed to modify the fetal death
reporting system, certificate ordering system, and retain
personnel. The Department also noted that an effective date of

July 1, 2021, would provide the Department with sufficient time to successfully implement the changes proposed by this measure.

Your Committee has amended this measure by:

- (1) Inserting an appropriation for an unspecified amount;
- (2) Changing the effective date to July 1, 2050, to encourage further discussion; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 2506, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 2506, H.D. 1, and be referred to your Committee on Finance.

Respectfully submitted on
behalf of the members of the
Committee on Health,

JOHN M. MIZUNO, Chair
