

STAND. COM. REP. NO. **1237** -20

Honolulu, Hawaii

**JUN 30**, 2020

RE: H.C.R. No. 28

Honorable Scott K. Saiki  
Speaker, House of Representatives  
Thirtieth State Legislature  
Regular Session of 2020  
State of Hawaii

Sir:

Your Committee on Water, Land, & Hawaiian Affairs, to which was referred H.C.R. No. 28 entitled:

"HOUSE CONCURRENT RESOLUTION AUTHORIZING THE ISSUANCE OF A PERPETUAL, NON-EXCLUSIVE EASEMENT COVERING A PORTION OF STATE SUBMERGED LANDS AT KANEOHE, KOOLAUPOKO, OAHU, FOR THE EXISTING STORM DRAIN, AND FOR USE, REPAIR, AND MAINTENANCE OF THE EXISTING IMPROVEMENTS CONSTRUCTED THEREON,"

begs leave to report as follows:

The purpose of this measure is to authorize the issuance of a perpetual, non-exclusive agreement covering a portion of state submerged lands at Kaneohe, Koolaupoko, Oahu, for the existing storm drain, and for use, repair, and maintenance of existing improvements constructed thereon.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources.

Your Committee finds that portions of an existing storm drain fronting property in Kaneohe were placed on state submerged lands. Your Committee further finds that the Department of Land and Natural Resources has worked with the City and County of Honolulu to resolve this issue by granting a perpetual non-exclusive easement for the storm drain encroachment. However, the Legislature must grant prior authorization before state lands can be leased. This measure authorizes the granting of a perpetual,

HCR28 HSCR WLH HMS 2020-2166

non-exclusive agreement for the portions of identified state submerged lands in Kaneohe that have been encroached upon by the storm drain.

As affirmed by the record of votes of the members of your Committee on Water, Land, & Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 28 and recommends that it be referred to your Committee on Finance.

Respectfully submitted on  
behalf of the members of the  
Committee on Water, Land, &  
Hawaiian Affairs,

RYAN M. YAMANE, Chair
