

STAND. COM. REP. NO.

2729

Honolulu, Hawaii

FEB 14 2020

RE: S.B. No. 2122

Honorable Ronald D. Kouchi
President of the Senate
Thirtieth State Legislature
Regular Session of 2020
State of Hawaii

Sir:

Your Committee on Public Safety, Intergovernmental, and
Military Affairs, to which was referred S.B. No. 2122 entitled:

"A BILL FOR AN ACT RELATING TO TRANSPORTATION NETWORK
COMPANIES,"

begs leave to report as follows:

The purpose and intent of this measure is to authorize each
county to levy and collect a county per-ride fee against a
transportation network company.

Your Committee received testimony in support of this measure
from the Office of the Mayor of the County of Maui, Department of
Transportation Services of the City and County of Honolulu, Hawaii
Transportation Association, and Waikīkī Transportation Management
Special Improvement District. Your Committee received testimony
in opposition to this measure from Lyft and Uber.

Your Committee finds that transportation network companies
are entities that use a digital network or software application
service to connect passengers with transportation network company
drivers. Transportation network companies have gained an immense
amount of popularity due to their convenience for residents and
visitors of the State. Your Committee further finds that there
has been a large increase in the use of transportation network
companies and those drivers utilize state and county roads more
than the average resident or visitor. Transportation network
company drivers increase traffic, especially in urban areas. The

extensive use by these transportation network company drivers have a negative impact on state and county roadways, adding to the degradation of the quality of roadways throughout the State. This measure will hold transportation network companies accountable for the extensive use of roadways in the State by authorizing counties to establish a schedule for per-ride fees assessed to transportation network companies.

As affirmed by the record of votes of the members of your Committee on Public Safety, Intergovernmental, and Military Affairs that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 2122 and recommends that it pass Second Reading and be referred to your Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committee on Public Safety,
Intergovernmental, and Military
Affairs,

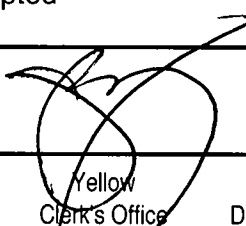

Clarence K. Nishihara
