

STAND. COM. REP. NO. 2906

Honolulu, Hawaii

FEB 27 2020

RE: S.B. No. 2724

Honorable Ronald D. Kouchi
President of the Senate
Thirtieth State Legislature
Regular Session of 2020
State of Hawaii

Sir:

Your Committee on Commerce, Consumer Protection, and Health,
to which was referred S.B. No. 2724 entitled:

"A BILL FOR AN ACT RELATING TO LEAD-BASED PAINT,"

begs leave to report as follows:

The purpose and intent of this measure is to prohibit the use
of lead-based paint on outdoor structures after December 31, 2021.

Your Committee received testimony in support of this measure
from the Department of Health, Sierra Club of Hawai'i, Human
Environmental Impacts Committee of the Environmental Caucus of the
Democratic Party of Hawai'i, and two individuals.

Your Committee finds that while the use of lead-based paints
for residential structures are restricted, lead-based paints
continue to be used on outdoor structures. Additionally, the use,
maintenance, and removal of paints containing lead on outdoor
structures create lead exposure pathways that are hazardous to
workers, contaminate the environment, and expose children and
adults who live, work, and play in proximity to these structures.
This measure would prevent future contamination from lead-based
paint in the environment and enhance the public health of the
residents of the State.

As affirmed by the record of votes of the members of your
Committee on Commerce, Consumer Protection, and Health that is
attached to this report, your Committee is in accord with the

intent and purpose of S.B. No. 2724 and recommends that it pass
Third Reading.

Respectfully submitted on
behalf of the members of the
Committee on Commerce, Consumer
Protection, and Health,

ROSALYN H. BAKER, Chair

The Senate
Thirtieth Legislature
State of Hawai'i
