A G E N D A

The purpose of the informational briefing is to receive a presentation from creative sector leaders in Hawai'i about the importance of the creative economy to the welfare of the State of Hawai'i. Inspired by the extraordinary challenges faced by everyone today, a diverse, collaborative, and innovative "creative resurgence" effort in Hawai'i is underway. To be considered is the role of "creatives" as essential workers in our society and economy, helping us to recover, reflect, and rebuild.

The committee members would like to thank the presenters for their contributions to this briefing, and the Hawaii Arts Alliance and State Foundation on Culture and the Arts for their coordination efforts.

No public testimony will be accepted.

The cable TV broadcast and/or live stream of this meeting will include closed captioning. If you require other auxiliary aids or services to participate in the public hearing process (i.e., interpretive services (oral or written) or ASL interpreter), please contact the committee clerk at least 24 hours prior to the hearing so that arrangements can be made.

FOR AMENDED NOTICES: Measures that have been deleted are stricken through and measures that have been added are underscored. If a measure is both underscored and stricken through, that measure has been deleted from the agenda.

FOR FURTHER INFORMATION, PLEASE CALL THE COMMITTEE CLERK AT (808) 586-6460.
