1993
to 1995

Coordinator, The Queen's Referral Line

Planned and implemented The Queen's Referral Line Program successfully, on time, on budget and with minimal staff while functioning full-time as the Health Education Coordinator.
The Queen's Referral Line is a computerized Physician and Health Services Referral Program.

1985

Administrative Coordinator

(Nursing Supervisor) of hospital nursing services while planning above position and obtaining funding.

1984

Project & Systems Coordinator

Nursing administration project developer, troubleshooter. Systems analysis, including cost-benefit and integration of change. Designed qualitative and quantitative evaluations.

- **Award Winning Health Fairs.**
- **Speaker's Bureau** - found, screened volunteers & paid speakers.
- **Committee & Team Work:** Served on multiple committees. Gathered input from those affected by proposed changes, usually reached consensus on changes making implementation smoother. Gave liberal credit to others.
- **Co-chaired Award-winning Health & Fitness Fairs.**
- **Updated forms, policy and procedures.**
- **Implemented new in-patient medication system.**
- **Organized outreach events.**

1983

Head Nurse

Recruited to turn around step-down telemetry unit, 75 staff, and 36 beds. Unit running in the red, high absenteeism, using agency nurses 70-80% of the time. Given free hand with budget. Had unit in black within 4 months.

Opened lines of communication within and through other departments. Increased staff morale. Persuaded Queen's part-timers to give unit another chance. Decreased overtime. Completely eliminated need for agency nurses. Significantly decreased nursing errors, supply & medication losses. Installed beeper communications system. Wrote master orientation plan. Hired new staff.

1971 - 77

Relief Administrative Coordinator

3 months, 1983. Registered Nurse, call-in, 1980-81. Staff & Charge Nurse, general nursing floors & intensive care units.

1981-82

EU-American Investment Corporation

Executive Vice President

Arranged office systems, developed policy & procedures for a year-old company. Directly supervised subsidiary presidents -- one in importing of European goods, another in travel. Organized reporting and office systems. Negotiated with vendors resulted in increased profit margin. Worked with ad agency, developed outside sales force of 8 persons. Increased revenues from \$300,000 to over \$1 Million.

1980

State of Hawaii, Department of Public Health Nursing Branch

Public Health Nurse

Hypertension Project. Developed, administered federally funded educational and service delivery program. Researched and coordinated existing resources, activities. Developed training activities and materials. Wrote grant proposals. Organized outreach components.

1978-79

St. Francis Hospital, Honolulu, Hawaii

Nursing In-service Coordinator

Evaluated, totally revised Nursing Orientation Program. Solicited input from head nurses and staff. CPR certified entire nursing staff, in 2 months, to comply with JCAHO standards. Updated nursing procedures. Taught hospital & community-wide in-services.
