

**Ron Cox
Senior Vice President, Operations
Hawaiian Electric Company**

Ron is responsible for Hawaiian Electric Companies Generation, Power Delivery and System Operations including fuel procurement and infrastructure, corporate environmental compliance, and new generation development.

Ron joined Hawaiian Electric in 2005 following a 27 year career in the Navy. During his Navy career he had command of USS BREMERTON (SSN 698) and Naval Station Pearl Harbor. Since 2005, Ron has held positions as Manager of Operations Strategic Planning, Power Supply Services, and Energy Solutions, where his responsibilities included fuel contract administration, fuel infrastructure, purchased power, customer technology applications, key customer accounts, customer research, pricing and load management. From August 2010 to January 2017 he served as VP Power Supply.

Ron is active in the community and serves as Board chair of the Pacific Fleet Submarine Memorial Association and on the Boards of the Honolulu council of the Navy League and MARIMED which serves local youth with Maritime education programs. He has a Masters degree from the National War College and a BS ChemEng degree from Northwestern University. He has lived in Hawaii for the last 38 years.
