

Pacific International
Space Center for
Exploration Systems

Statement of
Rodrigo Romo
Program Director
Pacific International Space Center for Explorations Systems (PISCES),
Before the
Members of Energy, Economic Development & Tourism Committee
In consideration of
GM661

RELATING TO THE CONSIDERATION AND CONFIRMATION TO THE BOARD OF DIRECTORS OF THE PACIFIC INTERNATIONAL SPACE CENTER FOR EXPLORATION SYSTEMS, GUBERNATORIAL NOMINEE DR KIMBERLY BINSTED

Chair Wakai and Members of the Committee:

PISCES strongly supports the nomination of Dr. Kimberly Binsted to the Board of Directors of the Pacific International Space Center for Exploration Systems.

Dr. Binsted's links to the University of Hawai'i as well as her experience as the Principal Investigator for the Hawaii Space Exploration Analog and Simulation Project bring a valuable contribution to the program as a member to the Board of Directors.

Thank you for this opportunity to offer comments.

Rodrigo Romo.
Program Director
PISCES
