H.B. 1164  
RELATING TO DEFERRED MAINTENANCE

Chair Johanson, Vice Chair Eli and Members of the Committee, thank you for the opportunity to testify on H.B. 1164 which establishes a deferred maintenance task force within the Office of the Governor to create a standardized schedule and uniform approach to address deferred maintenance projects in the state.

The Department of Accounting and General Services (DAGS) would like to offer the following comments:

1. The Directors should be able to send a delegate that would be more familiar with deferred maintenance.
2. Additional departments should be included. DAGS is responsible for about 70 facilities statewide while other departments have much more facilities that they are responsible for.
3. DAGS is only responsible for office buildings while other departments would have experience with managing many other types of facilities and its deferred maintenance.

Thank you for the opportunity to testify on this matter.
