S.B. 2166, S.D. 1
RELATING TO TRAFFIC SAFETY

Senate Committee on Judiciary

The Department of Transportation (DOT) **supports** S.B. 2166, S.D. 1, which requires vehicles on a two-lane highway, behind which a certain number of vehicles are formed in a line, to pull over where possible to let those other vehicles proceed when passing is unsafe.

The DOT believes that this will improve operational efficiency and minimize road rage statewide.

Thank you for the opportunity to provide testimony.
