S.B. 3166

RELATING TO THE STADIUM AUTHORITY

Chair Wakai, Vice Chair Taniguchi, and members of the committee, thank you for the opportunity to submit testimony in support of SB 3166.

First and foremost, the Stadium Authority Board (Authority) and I appreciate the Legislature's commitment and support in establishing a stadium development district inclusive of a multi-purpose sport and entertainment facility and extensive ancillary development that is both vibrant and an envisioned destination point.

To this end, the Authority recognizes that a comprehensive communicative process is essential to ensure continued success of its stadium development district project. SB 3166 seeks to add two (2) members to its existing nine (9) member board, with one (1) board member from the Aiea or Halawa area and one (1) board member from the Foster Village, Crosspointe, or Alii Planation area. The addition of community members will aid in providing the comprehensive perspective that is necessary to ensure project success.

Thank you for the opportunity to provide this testimony in support of SB 3166.

Aloha Chair Wakai:

I urge the passage of this measure as community participation in the process of redevelopment of the Aloha Stadium and the input of its daily operations is the key for maintaining a vibrant relationship with the residents of the community and the Stadium Authority.

Thank you for allowing me to submit testimony.

Mahalo,

Chace Shigemasa
