S.B. 514, S.D.1
RELATING TO THE DEPARTMENT OF TRANSPORTATION.

Senate Committee on Ways and Means

The Department of Transportation (DOT) **supports** S.B. 514, S.D.1, and offers comments, which appropriates funds for capital improvement projects for the Airports Division.

On page 9, line 15, the expenditure for design is listed as "300". We believe this is a typo error, and it should read "3000". As it is written, the total spending by expenditure type and the total funding by MOF are not the same. With this change, they would align.

We respectfully request that provisions for Issuance of Bonds, and other special and miscellaneous provisions be included to ensure the Airports Division can implement its Capital Improvement Program in the most efficient and effective manner.

Thank you for the opportunity to provide testimony.
