

LATE

Senator Russell E. Ruderman, Chair Senator
Karl Rhoads Vice-Chair Senate Committee on Human Services

Monday, February 11, 2019, 3:15 PM,
Conf. Room 016 Support for SB 734,

Relating to Child Support

Aloha, my name is Danny Goya I am the project manager of PIDF's Ka Pa'alana Homeless Family Education Program, but I am here today speaking as an individual citizen and not here to represent PIDF. I am submitting this testimony to express my very strong support for the funding child support.

Hawai'i as we know has one of the highest cost of living rates in the county and for parents of children that are involved in child support disputes, the challenge of living in paradise is even more daunting.

SB 734 would give government agencies like the court more power to track down those who do not pay child support.

Please support SB 734.

Mahalo,

Daniel Goya

Re: SB734 - Support with Amendments

Dear Chair Ruderman and members of the HMS Committee:

I am in strong support of SB734, with the following amendments. Please consider amending the bill by replacing the current contents with language that gives Family Court judges and Child Support Enforcement Agency administrative law judges the specific authority to order the child support payor to obtain a payrolled, garnishable job after 3 or more months of non-payment of child support.

Mahalo for your consideration of this important measure,

~Desiree Hikuroa
