## Executive Office on Early Learning

### **Report to the 2022 Legislature: Early Learning Special Fund August 25, 2021**

#### **Context**

The Executive Office on Early Learning (EOEL) was established by Act 178, Regular Session of 2012, and signed into law in June 2012. On July 1, 2015, EOEL was transferred from the Office of the Governor to become attached to HDOE for administrative purposes only.

EOEL is charged with developing an early learning system that shall ensure a spectrum of high-quality, developmentally appropriate early learning opportunities for Hawaii's children throughout the state, from prenatal care until the time they enter kindergarten.

The Keiki First Steps Trust Fund was established pursuant to Act 14, Special Session of 2008, to be administered by the then-Early Learning Council, and to be used for the early learning system.

The Keiki First Steps Trust Fund was renamed the Early Learning Trust Fund in 2009 pursuant to Act 194, Regular Session of 2009. When EOEL was created in 2012, responsibility for administration of the Trust Fund was moved to EOEL.

Act 046, Regular Session of 2020, amended the Early Learning Trust Fund to become the Early Learning Special Fund, and required that EOEL submit an annual report to the Legislature on the sources of moneys deposited into the Special Fund, and expenditures of the moneys in it.

The purpose of the Special Fund remains the same – to be used for the early learning system. Moneys received by EOEL in the form of fees, grants, donations, appropriations made by the Legislature to the Special Fund, revenues regardless of source, and earnings on moneys in the Special Fund shall be deposited into the Special Fund.

#### **Early Learning Special Fund**

No moneys were deposited into the Fund in Fiscal Year 2020-2021. As such, no expenditures were made from the Fund.
