# A BILL FOR AN ACT

RELATING TO LAY NETS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1       SECTION 1. Despite detailed lay net rules implemented by  
2 the department of land and natural resources, including lay net  
3 registration and identification requirements and restrictions on  
4 lay net dimensions, mesh size, soak time, time of day, frequency  
5 between sets, water depth, and location, the illegal and  
6 irresponsible use of lay nets continues with adverse impacts to  
7 both fishery resources and protected species.

8       Furthermore, the legislature finds that lay net violations  
9 are primary fishery-related infractions that the department of  
10 land and natural resources investigates and that a lay net  
11 permit system is necessary to better regulate this gear type.

12       The purpose of this Act is to authorize the department of  
13 land and natural resources to adopt rules to establish a lay net  
14 permit for the use or possession of lay nets, including  
15 reasonable permit fees and provisions for revocation,  
16 suspension, and withholding of permits for non-compliance with  
17 lay net rules.

SECTION 2. Section 187A-5, Hawaii Revised Statutes, is amended to read as follows:

**"§187A-5 Rules.** Subject to chapter 91, the department shall adopt, amend, and repeal rules for and concerning the protection and propagation of introduced and transplanted aquatic life, or the conservation and allocation of the natural supply of aquatic life in any area. The rules may include the following:

(1) Size limits;

(2) Bag limits;

(3) Open and closed fishing seasons;

(4) Permits for the use and possession of lay nets, including reasonable permit fees and provisions for revocation, suspension, and withholding of permits for non-compliance with lay net rules;

~~[-(4)-]~~ (5) Specifications and numbers of fishing or taking gear ~~[which]~~ that may be used or possessed; and

~~[-(5)-]~~ (6) Prescribe and limit the kind and amount of bait that may be used in taking aquatic life, and the conditions for entry into areas for taking aquatic life.

1 The rules may vary from one county to another and may specify  
2 certain days of the week or certain hours of the day in  
3 designating open seasons. All rules shall have the force and  
4 effect of law. Any person who violates any of the rules adopted  
5 pursuant to this section shall be guilty of a petty misdemeanor  
6 and upon conviction thereof shall be punished as provided by  
7 section 188-70."

8 SECTION 3. Statutory material to be repealed is bracketed  
9 and stricken. New statutory material is underscored.

10 SECTION 4. This Act shall take effect on January 1, 2050.
