# A BILL FOR AN ACT

RELATING TO PACKAGING WASTE.

#### BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1		PART I
2	SECT	ION 1. (a) The department of health shall conduct a
3	study on	the benefits and costs to implement extended producer
4	responsib	ility in the State.
5	(b)	The study shall analyze and evaluate the following:
6	(1)	The implementation of extended producer responsibility
7		in the State independent of other state and federal
8		packaging extended producer responsibility
9		initiatives;
10	(2)	The implementation of extended producer responsibility
11		packaging in the State in conjunction or synchronicity
12		with other state and federal initiatives;
13	(3)	The best science available relating to extended
14		producer responsibility and best packaging practices;
15	(4)	The costs and benefits to all stakeholders, including
16		but not limited to the environment, consumers,
17		taxpayers, government, and businesses;

# H.B. NO. H.D. 1

1	(5)	The potential benefits and drawbacks of implementing								
2		extended producer responsibility for packaging in the								
3		State;								
4	(6)	The feasibility of implementing extended producer								
5		responsibility for packaging in the State;								
6	(7)	The projected timeline for the implementation of								
7		extended producer responsibility for packaging in the								
8		State;								
9	(8)	The expected savings, if any, for the State and								
10		counties in costs relating to waste management and								
11		recycling in the implementation of extended producer								
12		responsibility packaging in the State; and								
13	(9)	Any other issues the department deems relevant.								
14	(c)	For the purposes of the study, the department of								
15	health ma	y consult with other state departments and community								
16	organizations.									
17	(d)	The department of health shall submit a report of its								
18	findings	and recommendations, including any proposed								
19	legislati	on, to the legislature no later than twenty days prior								
20	to the co	nvening of the regular session of 2024.								

1	SECTION 2. There is appropriated out of the general							
2	revenues of the State of Hawaii the sum of \$ or so							
3	much thereof as may be necessary for fiscal year 2021-2022 and							
4	the same sum or so much thereof as may be necessary for fiscal							
5	year 2022-2023 for the department of health to conduct a study							
6	on the benefits and costs to implement extended producer							
7	responsibility in the State.							
8	The sums appropriated shall be expended by the department							
9	of health for the purposes of this part.							
10	PART II							
11	SECTION 3. Chapter 339, Hawaii Revised Statutes, is							
12	amended by adding a new section to be appropriately designated							
13	and to read as follows:							
14	"§339- Single-use plastic service ware; prohibited							
15	acts. (a) Beginning January 1, 2022, a full-service restaurant							
16	shall not provide single-use plastic service ware to a consumer							
17	unless requested by the consumer.							
18	(b) Any full-service restaurant who violates this section							
19	shall be issued a notice of violation by the director for the							
20	first and second violations. For any subsequent violation, a							

2	during any	calendar year. Any action taken to impose or collect							
3	the fines	provided for in this section shall be considered an							
4	administrative action pursuant to chapter 91.								
5	(c) For purposes of this section:								
6	"Consumer" means a person who is a member of the public,								
7	takes possession of food or beverages, is not functioning in th								
8	capacity of an operator of a food facility, and does not offer								
9	the food or beverage for resale.								
10	"Full-service restaurant" means an establishment with the								
11	primary business purpose of serving food, where food may be								
12	consumed on the premises, and where all of the following action								
13	are taken	by an employee of the establishment:							
14	(1)	The consumer is escorted or assigned to an assigned							
15		eating area. The employee may choose the assigned							
16		eating area or may seat the consumer according to the							
17		consumer's need for accommodation or other request;							
18	(2)	The consumer's food and beverage orders are taken							
19		after the consumer has been seated at the assigned							
20		seating area;							

1 the director of \$25 per day of violation, not to exceed \$300

1	(3)	The food and beverage orders are delivered directly to								
2		the consumer;								
3	(4) Any requested items associated with the consumer's									
4	food or beverage order are brought to the consumer;									
5		and								
6	(5) The check is delivered directly to the consumer at t									
7		assigned eating area.								
8	"Plastic" means any material made of fossil fuel-derived or									
9	petrochem	ical polymeric compounds and additives that can be								
10	shaped by	flow.								
11	"Single-use plastic service ware" means any stirrers,									
12	straws, baran, and utensils, including forks, spoons, sporks,									
13	and knives. "Single-use plastic service ware" does not include									
14	items contained within or attached to packaging of food or									
15	beverages, including but not limited to disposable plastic									
16	straws pre-packaged and sold with beverage boxes or disposable									
17	utensils pre-packaged and sold with ice cream or salads.									
18	<u>"Ute</u>	nsils" means implements intended to assist in the								
19	consumption of food or drink."									

1 PART III 2 SECTION 4. Chapter 342G, Hawaii Revised Statutes, is 3 amended by adding a new part to be appropriately designated and to read as follows: 4 5 "PART . POSTCONSUMER RECYCLED CONTENT 6 §342G-**Definitions**. As used in this part: 7 "Beverage" means: Water and flavored water; 8 (1) (2) Beer or other malt beverages; 9 10 (3) Wine; 11 (4) Distilled spirits; and 12 (5) Mineral water, soda water, and similar carbonated soft 13 drinks, 14 intended for human or animal consumption, and in a quantity more 15 than or equal to two fluid ounces and less than or equal to one 16 gallon. 17 "Beverage manufacturer" means a manufacturer of one or more 18 beverages that are sold, offered for sale, or distributed in the 19 State. 20 "Plastic beverage container" means a bottle or other rigid 21 container comprised of one or multiple plastic resins and

- 1 containing a beverage that is capable of maintaining its shape 2 when empty. "Plastic beverage containers" shall not include: 3 (1) Refillable beverage containers; 4 (2) Rigid plastic containers or plastic bottles that are 5 medical devices, medical products that are required to 6 be sterile, prescription medicine, and packaging used for those products; and 7 8 (3) Bladders or pouches that contain wine. 9 "Postconsumer recycled content" means the content of a 10 product made of recycled materials derived specifically from 11 recycled material generated by households or by commercial, 12 industrial, or institutional facilities in their role as end 13 users of the product that can no longer be used for its intended 14 purpose, including returns of material from the distribution 15 chain. 16 "Refillable" means a beverage container that is 17 sufficiently durable for multiple rotations of its original or
- 20 §342G- Postconsumer recycled content; established;

similar purpose and is intended to function in a system of

21 requirements. (a) Beginning January 1, 2023, beverage

19

reuse.

- 1 manufacturers that offer for sale, sell, or distribute beverages
- 2 in plastic beverage containers in the State shall meet minimum
- 3 postconsumer recycled content as required by this section.
- 4 (b) A beverage manufacturer that sells, offers for sale,
- 5 or distributes plastic beverage containers in or into the State
- 6 shall meet the following annual minimum postconsumer recycled
- 7 plastic content on average for the total quantity of plastic
- 8 beverage containers that are sold, offered for sale, or
- 9 distributed in the State:
- 10 (1) No less than fifteen per cent postconsumer recycled
- plastic by weight by December 31, 2025;
- 12 (2) No less than twenty-five per cent postconsumer
- recycled plastic by weight by December 31, 2030; and
- 14 (3) No less than fifty per cent postconsumer recycled
- plastic by weight on and after January 1, 2031.
- 16 (c) The department shall enforce this part and, subject to
- 17 chapter 91, may adopt rules with respect to:
- 18 (1) Adjusting the minimum postconsumer recycled content
- 19 percentage required pursuant to this section;
- 20 (2) Reporting requirements by beverage manufacturers
- 21 subject to this part;

1	(3)	Provid	ing p	enalt.	ies o	r fee	es;	and					
2	(4)	Such o	ther	matte	rs as	may	be	neces	ssary	in	ord	ler	to
3	implement this part."												
4		PART IV											
5	SECT	ION 5.	New	statu	tory	mater	ial	lisı	ınder	sco	red.		
6	SECT	ION 6.	This	Act	shall	take	e ef	fect	on J	ulv	1,	205	0.

#### Report Title:

Department of Health; Extended Producer Responsibility; Singleuse Plastic Service Ware; By Request; Postconsumer Recycled Content; Appropriation

#### Description:

Part I: Requires and appropriates funds for the department of health to conduct a study on the benefits and costs to implement extended producer responsibility in the State. Part II: Beginning January 1, 2022, prohibits full-service restaurants from providing single-use plastic service ware to consumers unless requested by the consumer. Part III: Beginning January 1, 2023, requires beverage manufacturers that offer for sale, sell, or distribute beverages in plastic beverage containers in the State to meet minimum postconsumer recycled content requirements. Effective 7/1/2050. (HD1)
