A BILL FOR AN ACT

RELATING TO REAL ESTATE DISCLOSURE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

- 1 SECTION 1. The legislature finds that real property in the
- 2 State is often vulnerable to hazards, such as coastal erosion
- 3 and flooding from tsunamis, storms, and high waves. These
- 4 hazards can be exacerbated by sea level rise and human-caused
- 5 interruptions to natural sand supply. In Hawai'i, all beaches
- 6 are prone to seasonal or episodic erosion from high waves and
- 7 storms. In addition, chronic erosion affects seventy per cent
- 8 of the beaches on O'ahu, Maui, and Kaua'i.
- 9 The legislature further finds that numerous court decisions
- 10 have affirmed that privately owned oceanfront land is lost when
- 11 shorelines undergo landward retreat and oceanfront properties
- 12 become smaller. When oceanfront property experiences landward
- 13 retreat, building setbacks, property values, and insurance
- 14 availability can be adversely impacted. Another challenge
- 15 property owners face in Hawai'i is the stringent permit
- 16 requirements imposed by the counties and State for shoreline
- 17 protection. When shoreline retreat occurs, obtaining a permit

- 1 to repair or install shoreline protection structures, such as
- 2 seawalls, revetments, geotextile sandbags, or groins, can be
- 3 challenging due to Hawai'i's coastal zone management policies,
- 4 which protect coastal natural resources and shoreline public
- 5 access. Furthermore, the legislature recognizes sea level rise
- 6 and shoreline retreat as concerns for all property owners, not
- 7 just oceanfront property owners.
- 8 Accordingly, the purpose of this Act is to require:
- 9 (1) A sea level rise hazard exposure statement with the
- sale or transfer of vulnerable coastal property to
- ensure that new property owners and transferees
- 12 understand the special hazards, permitting
- requirements, and limitations that may affect the
- 14 property; and
- 15 (2) Inclusion of the material fact that a residential real
- property lies within a sea level rise exposure area,
- if applicable, within a seller's mandatory disclosure
- 18 statement to a buyer.
- 19 SECTION 2. Chapter 508D, Hawaii Revised Statutes, is
- 20 amended by adding a new section to be appropriately designated
- 21 and to read as follows:

1	" <u>§</u> 50	8D- Sea level rise hazard exposure statement;
2	vulnerable	e coastal property. (a) Beginning November 1, 2021,
3	every sale	e or transfer of vulnerable coastal property shall
4	include a	sea level rise hazard exposure statement executed by
5	the purch	aser or transferee.
6	(b)	Every sea level rise hazard exposure statement shall
7	include a	cknowledgment by the purchaser or transferee that:
8	(1)	The coastal property is at risk of losing area if the
9		shoreline retreats inland due to erosion, sea level
10		rise, or permitting requirements;
11	(2)	Maps showing historic coastal erosion, flood insurance
12		zones, and sea level rise exposure areas exist to
13		inform the public of risks;
14	(3)	Shoreline certifications and setbacks are determined
15		pursuant to chapter 205A, and the location of the
16		certified shoreline and setback may be affected by
17		inland migration of the upper reach of the wash of the
18		waves;
19	(4)	Obtaining permits to repair or install shoreline
20		protection structures may be difficult due to state

1		and federal coastal zone management policies
2		discouraging coastal hardening;
3	(5)	Beaches are public trust resources that governmental
4		agencies have a responsibility to protect;
5	(6)	The public enjoys a right of access to Hawaii's
6		shorelines, including the right of transit along the
7		shorelines, pursuant to section 115-4, and this right
8		of transit can be threatened by shoreline protection
9		structures that reduce the width of beaches as sea
10		level rise occurs; and
11	(7)	The department of land and natural resources may
12		require a landowner to remove encroaching vegetation
13		if a landowner's human-induced, enhanced, or
14		unmaintained vegetation interferes with or encroaches
15		on a beach transit corridor pursuant to section
16		115-10.
17	(c)	All vulnerable coastal property purchaser statements
18	shall be	notarized and recorded in the bureau of conveyances.

3	SECT	ION 3. Section 508D-15, Hawaii Revised Statutes, is
4	amended by	y amending subsection (a) to read as follows:

16		part 150), for any public airport;
17	(3)	Within the boundaries of the Air Installation
18		Compatible Use Zone of any Air Force, Army, Navy, or
19		Marine Corps airport as officially designated by
20		military authorities; [or]

1	(4) Within the anticipated inundation areas designated on
2	the department of defense's emergency management
3	tsunami inundation maps[-]; or
4	(5) Within a sea level rise exposure area as officially
5	designated by the Hawaii climate change mitigation and
6	adaptation commission,
7	subject to the availability of maps that designate the [four]
8	five areas by tax map key (zone, section, parcel), the seller
9	shall include the material fact information in the disclosure
10	statement provided to the buyer subject to this chapter. Each
11	county shall provide, where available, maps of its jurisdiction
12	detailing the [four] five designated areas specified in this
13	subsection. The maps shall identify the properties situated
14	within the $[four]$ five designated areas by tax map key number
15	(zone, section, parcel) and shall be of a size sufficient to
16	provide information necessary to serve the purposes of this
17	section. Each county shall provide legible copies of the maps
18	and may charge a reasonable copying fee."
19	SECTION 4. Statutory material to be repealed is bracketed
20	and stricken. New statutory material is underscored.
